### **APPLICATION PROCESS:**

**Please submit this completed application to the City of West Chicago by mail or hand delivery to City Hall, 475 Main Street West Chicago, Illinois 60185 to the attention of Robert Flatter, Director of Public Works. Once the application is received Public Works will submit a recommendation to the City Council for approval. Adopt-A-Highway applications will be approved at City Council meetings, which are held on the first and third Monday of every month. If approved the Public Works Department will contact the group's applicant, via letter to inform them of further instructions. Please review the attached list of responsibilities for Adopt-A-Highway groups and the City of West Chicago.**

## **ATTACHMENT A**

### **Responsibilities of the Group**

1. The group must submit a signed Liability Waiver for each participant (Liability Waiver form to be provided by the City following approval of the application).
2. The group will be responsible for providing all litter pick up equipment and safety vests.
3. Safety vests must be worn at all times during litter pick up activities, no exceptions.
4. The group shall schedule all litter collection activities with the City's Street Superintendent not less than seven (7) days prior to such activities, and shall at that time submit any participant releases not previously submitted and/or new releases for any participants who have attained the age of eighteen (18) years and for whom releases executed by a parent or guardian were previously submitted to the City.
5. The group shall not undertake any litter collection activities before dawn or after dusk on any day, nor during any period of inclement weather.
6. The group shall not undertake any litter collection activities without first having posted temporary warning signs to inform motorists that work is being conducted along the adopted section(s) of the street right-of-way. Temporary warning signs shall be supplied and installed by the City.

### **Responsibilities of the City**

1. The CITY will be responsible for supplying the group with garbage bags for litter collection.
2. Provide safety training prior to the groups first scheduled litter pick up.
3. Manufacture and erect the Adopt-A-Highway Signs indicating the adopting groups name and section of Highway.
4. Install temporary warning signs to inform motorists that work is being conducted along the adopted section(s) of the street right-of-way.
5. Remove filled garbage bags as soon as practical after litter collection has occurred.
