Turner school Frosty the snowman poem

Frosty the snowman was a jolly happy soul
With a corncob pipe and a button nose
And two eyes made out of coal

Frosty the snowman is a Fairytale they say
He was made of snow but the children
Know how he came to life one day

There must have been some magic in that old silk hat
MR. Rodriguez found for when he placed it on his head
He began to dance around

Frosty the snowman was alive as he could be

And Mrs. Mason said he could laugh

And play just the same as you and me

Frosty the snowman knew the sun was hot that day

So he said Lets run and We'll have some fun

Now before I melt away Down to west Chicago
With a broomstick in his hand Running here
and there all Around the square saying

Catch me if you can He led them down
the streets of town Right to the traffic
cop And he only paused a moment when

He heard him holler "stop!" Thumpity-thump-
thump Thumpity-thump-thump Over the hills
of snow Frosty the snowman was a jolly happy

soul With a corncob pipe and a button nose

And two eyes made out of coal Frosty the

snowman Had to hurry on his way But he
waved goodbye saying Don't you cry Turner
school children I'll be back on Christmas Day!
