SPECIAL EVENTS

I. POLICY STATEMENT

The City recognizes that special events often bring certain benefits to the community. At the same time, the City must have sufficient notice prior to an event so that elected officials and City departments can evaluate the potential impact such an event might have on the resources of City departments, City-owned properties and facilities, and ultimately on the public. Each event has unique characteristics and will have a different impact on the services. It is the intent of the City Council to preserve the public’s health, safety, and welfare and to promote the responsible use of publicly-owned facilities, property and resources. Therefore, events shall be considered on a case-by-case basis.

II. SPECIAL EVENT CRITERIA

The following criteria shall be used to determine if an event falls under the scope of a special event covered under this policy:

1. All outdoor events held on City property (i.e. street, sidewalk, park, etc.) and/or events that may, in the sole opinion of the City, have a detrimental impact on the public health, safety and welfare of the community, including events held exclusively on private property.

2. An event that requests any of the following actions, which must be approved by the City Council:
   - Street and/or parking facility closures (with the exception of block parties)
   - Use of City services and personnel without charge

3. Any event to be held on public property where liquor is to be served.

III. REQUIREMENTS AND CONDITIONS

Compensation for City Staffing
Depending on attendance and type of event, the City may require personnel, including police officers, at the event. The costs of having City personnel involved during the event shall be born by the sponsoring agency, unless waived by the City Council. The City shall determine the number of personnel necessary to ensure the safety of participants, minimize the inconvenience to residents, and reduce the public liability exposure to the sponsoring agency as well as the City.

Fireworks
The Municipal Code (Article XXV) requires a permit for public exhibition of fireworks or pyrotechnics. Permits for fireworks displays can take an extended amount of time to be processed. Permit applications shall be submitted at least thirty (30) days prior to the intended date of the display. The City of West Chicago will determine which parties are to be notified, and the City will provide the event organizer with a mailing list for the affected areas, if requested.

(a) A licensee under this Act shall not knowingly carry a firearm on or into:

(10) Any public gathering or special event conducted on property open to the public that requires the issuance of a permit from the unit of local government, provided this prohibition shall not apply to a licensee who must walk through a public gathering in order to access his or her residence, place of business, or vehicle.

Event organizers are responsible for the following:

1. **Notification of Concealed Carry**
   It is the responsibility of the employees, volunteers and agents of the event organizer named in the Special Event Permit Application and its contractors to notify police dispatch at 9-1-1 if a concealed carry is spotted at the event.

2. **Concealed Carry Signage Must be Posted**
   Event organizers shall clearly and conspicuously post at every entrance to an event, whether for the public or for the employees, volunteers or contractors of the organizers or other persons, the Illinois State Police-approved sign, in accordance with the Firearm Concealed Carry Act. Signs shall be posted at a height of between five feet (5’) and five and one-half feet (5½’). Owners of any statutorily prohibited area or private property, excluding residences, where the owner prohibits the carrying
of firearms must clearly and conspicuously post the Illinois State Police approved sign, in accordance with Firearm Concealed Carry Act, at the entrance of the building, premises or real property. Please refer to Section 65 (Prohibited Areas) of the Firearm Concealed Carry Act for more information on statutory requirements for signage as well as where concealed weapons are prohibited.

Pursuant to Section 65(d) of the Firearm Concealed Carry Act, signs must be of a uniform design and the Illinois State Police is responsible for adopting rules for standardized signs. The sign in its entirety will measure 4 inches x 6 inches.

Click on the image or visit the Illinois State Police website under Concealed Carry to download a template of the approved sign.

NOTE: When printing the sign, please ensure the black borders surrounding the "no firearms" symbol measure 4 inches from top to bottom and 6 inches from left to right.
