Re: Case PC 16-16, Text Amendment

The City of West Chicago, as the applicant for case PC 16-16, a text amendment to the Zoning Ordinance to add various provisions for firearm sales (gun shops), is respectfully withdrawing this Code amendment request from formal consideration by the Plan Commission at this time. City staff will place this matter on the October 10, 2016 Development Committee agenda for discussion and to further seek direction from the Committee on this matter.
