3. Public Participation/Presentations.

None

4. Items For Consent

None

5. Review and discuss Commission Priority List.

- A. Review current priority list**

Adopt a Highway

The October clean up event was discussed. There was a surprising amount of trash collected, and a lot of what was collected was plastics. It was also mentioned that the area in front of and around ABC looked much better this time. In the past there had been a good deal of trash and debris there.

Pumpkin Recycling Event

Two tons of pumpkins were collected in West Chicago at this year's Pumpkin Smash event. Warrenville Park District contributed to the total collecting pumpkins from their community and delivering them to the roll off dumpster at First United Methodist Church. Commissioner Blaus said the collection in Elmhurst was as much as they had last year and they really had to smash the pumpkins down to fit them all in.

Holiday Light Recycling

Groot dropped off the recycling totes at the Street Division. The totes will be set out at the same locations as last year on Friday of this week.

B. Discuss new additions to priority list

None

6. Other Business

The Environmental Commission Meeting scheduled for December 18, 2019 will be cancelled.

7. Adjournment

At 7:24 P.M. Commissioner Blaus made a motion to adjourn. Commissioner Symowicz seconded the motion. Motion was unanimously approved by voice vote.

Respectfully submitted,
Tim Wilcox, Assistant Director of Public Works
