July 9 - 12

Narrative

2020 will be a historic year for everyone given the COVID-19 pandemic. Assuming that the stay at home orders have been lifted and we are cleared to hold an event such as this, there will be much to celebrate. Of course, additional care will be given to keep the public safe and all guidelines from the CDC and the State health organizations will dictate how the festival might operate.

West Chicago Railroad Days is the most popular event of the year sponsored by the City of West Chicago. It has become a favorite activity in early July for both residents and visitors. Much of the popularity is the atmosphere of the event and the many attractions.

The carnival, free concerts, food and merchant vendors and the beer garden work well to provide a family environment. Pioneer park also has a splash pad and walking trails that visitors enjoy while spending the day at the festival or to simply take a break away from the activities.

For 2020, the parade has been removed as a featured activity. Construction continues to threaten the normal route and alternative routes do not lend themselves to an event that is held on the far south/west side of town.

Bands have been signed and the infrastructure necessary to support such a major event have been secured, stage, generators, sanitation and of course entertainment. We will begin marketing on radio, cable TV and with printed materials; including the City Newsletter as we draw nearer to the event.

Exhibit A
Funding Agreement for Railroad Days for 2017 through 2021

THIS AGREEMENT is made and entered into on the 6th day of February 2017, by and between the Western DuPage Chamber of Commerce (hereinafter referred to as "Chamber") and City of West Chicago, (hereinafter referred to as "City").

1. In consideration of the covenants and agreements hereinafter contained, as well as other good and valuable considerations, the Chamber and the City hereby agree that the Chamber is an independent entity with respect to the City and agrees to perform all services to create, plan, develop and execute the Railroad Days Festival (hereinafter referred to as "Festival") scheduled as follows:

2017: July 6 - 9
2018: July 12 – 15
2019: June 8 (parade only) and July 11 – 14
2020: July 9 – 12
2021: July 8 - 11

at Pioneer Park, 479 W. Forest Avenue, or another mutually agreeable location, and that the City will provide a designated amount of financial support for such Festival. The Festival will include a four-day carnival, and may include the following: musical acts, a fireworks display, a beer garden, and a parade, with the necessary infrastructure and marketing to support such. The City will provide the following amounts for Festival components:

2017: \$ 60,000
2018: \$ 50,000
2019: \$ 40,000
2020: \$ 30,000
2021: \$ 25,000

The City shall be responsible for no additional cash contributions beyond that which is stated herein.

2. The Chamber may, at its sole discretion and as detailed in its Special Event Assessment Form (described below) schedule additional entertainment and/or attractions and use the City-funded infrastructure, so long as any additional, non-negligible costs associated with such are funded from private sources, such as sponsorships or donations. The Chamber has no authority or power to incur debts, obligations or commitments of any kind whatsoever for or on behalf of the City or to bind the City to any contract, agreement or employment agreement. In consideration for funding received by the Chamber from the City as primary financial contributor, the City's expectations associated with the Festival are more fully described in the addendum that is attached hereto and made apart hereof as Exhibit "B"

3. The services which the Chamber will perform include, but are not limited to, planning, organizing and supervising the Festival, making arrangement for the Festival site, negotiation of contracts with responsible independent contractors or vendors, applying for all permits and licenses, and complying with all insurance requirements. One supervisor of the Chamber shall attend and supervise the entire Festival. The Chamber agrees to pay or have paid all contractual obligations associated with the Festival, to coordinate and certify required Bassett training, and to obtain such through the City if such is available at the time training is scheduled, for all volunteers working with the beer tent, and to obtain all required licenses and deposits; copies of all invoices, receipts and checks to vendors shall be provided prior to the City making the payment as detailed in Section 4(A)(4) below. At all times, the Chamber will comply with all City Codes and Ordinances and Special Event Policy that are in effect. However, should a higher level of government mandate any new laws that the City is required to enforce and should the City Council approve a new law that does not specifically deal with festivals but rather improves and addresses the health, safety and welfare of West Chicago residents and its visitors, then the Chamber shall be obligated to comply. The Chamber shall not open any portion of the Festival until the respective permits are obtained and approvals are granted and all insurance requirements are satisfied.

4. The City's responsibilities stated below are limited to the following:
 - A. Providing financial support as detailed above for 2017 through 2021 paid in installments, to be used to help cover the cost of activities and the Chamber's role in producing the Festival for community-wide benefit. Funds will be released so long as the submittal requirements have been met as per Sections 6 and 7 of this Agreement.
 1. The City agrees to pay the Chamber (or its designee, as specified in writing) 50% by the end of the week following the second City Council meeting in February as seed money for contractual obligations directly related to the Festival.
 2. The City agrees to pay the Chamber (or its designee, as specified in writing) 25% for contractual obligations directly related to the Festival by the end of the week following the first City Council meeting in May.
 3. The City agrees to pay the Chamber (or its designee as specified in writing) 10% for contractual obligations directly related to the Festival by the end of the week following the second City Council meeting in June.
 4. The City agrees to pay the Chamber (or its designee, as specified in writing) the final 15% in consideration of all contractual requirements being met, and after the Chamber has provided to the City copies of all invoices, receipts and checks to vendors for expense receipts no less than the amounts designated for each year

in Section 2 above, together with its final written report including a summary financial report following the format and level of detail of Exhibit "C" attached hereto, has had all final paperwork accepted by the Public Affairs Committee, and has made its final appearance at the first available Public Affairs Committee meeting after the Festival.

5. Should any submittal deadline not be met and/or should the information submitted be deemed incomplete, the City will withhold payment until the submittal is satisfactory. The Chamber will be paid within thirty (30) days of the City receiving a complete and satisfactory submittal.
6. No additional funds shall be provided to the Chamber beyond those specifically detailed in this Agreement, except that the City of West Chicago shall maintain a membership with the Chamber at the Platinum level for the years 2017 through 2021.

B. Providing the following in-kind services with approval of the City Administrator:

1. The Public Works Department will provide barricades and ensure water hook-up.
 2. The Police Department will provide security during hours of operation of the Festival and for one hour before and after the approved hours of operation.
 3. The Community Development Department will provide inspectors for inspection of all carnival type rides and vendors and for inspection of the general layout of site.
 4. The City will waive associated application and permit fees.
 5. The City will work with Groot Industries to provide a garbage dumpster.
 6. The City will provide traffic management on all public streets.
 7. The City will provide rolling street closures associated with the parade, if a parade is held.
 8. The Chamber shall be responsible for turf restoration to the satisfaction of the Park District, or other owner, as applicable for a different Festival location. The City shall no longer be responsible for turf restoration after the Festival.
-
5. The Chamber has no stated management fee, but reserves the right to plan and manage the event and enjoy the exclusive benefit of any profit resulting from such.
 6. The Chamber shall communicate progress and compliance with the terms of this Agreement at the request of the City. The final post-Festival report shall include a recap of the Festival and detail the successes and challenges, and accounting of

expenses of not less than the amounts designated for each year in Section 2 above related to the Festival accompanied by copies of invoices, receipts and checks to vendors.

7. The Chamber shall comply with the following submittal deadlines and all other submittal dates as indicated on the Special Event Permit Application.
 - March 31st – Submit Special Event Permit Application (including, if applicable, map of parade route, location and times of street closures), Fireworks Application, Carnival Application and associated documentation, if applicable, including Certificates of Insurance from the Western DuPage Chamber of Commerce and those specific to the Fireworks and Carnival.

 - June 30th - Submit written confirmation of scheduled inspections from Community Development Department, West Chicago Fire Protection District and the DuPage County Health Department. Written confirmation shall be provided that all carnival workers have had their required background checks by this date. If there is a beer tent, written confirmation shall be provided that indicates that Bassett training, through the City if such is available, and ticket seller training occurred by this date.
 - June 30th - Secure the site and obtain all required approvals for a compliant fireworks display, if applicable.

8. If either party elects to cancel this agreement, than such shall be done via written notification to the other party by December 31 of the year preceding the next scheduled Railroad Days event.

9. If either party elects to enforce the provisions of this contract in a court of law, the venue shall be in the Circuit Court of DuPage County. The successful party in any action to enforce the terms of this Agreement is entitled to reimbursement for its reasonable costs and attorney's fees.

10. The Chamber agrees to maintain, at its expense, workers' compensation insurance, and to fully protect its employees from any and all claims filed under the Workers' Compensation or similar statutes of this State. Such insurance shall be maintained in those amounts required by statute. The Chamber agrees to maintain, at its own expense, general liability insurance in amounts not less than \$5,000,000 aggregate and shall name the City, the West Chicago Park District, the West Chicago Fire Protection District, and their respective officials, agents, employees and volunteers all as additional insureds under the policy. The

Chamber's insurance coverage shall be primary as respects the City, the West Chicago Park District, the West Chicago Fire Protection District, and their respective officials, agents, employees and volunteers. Any insurance or self-insurance maintained by the City, the West Chicago Park District, the West Chicago Fire Protection District, and their respective officials, employees, agents and volunteers shall be excess of the Chamber's insurance and shall not contribute with it. The Chamber shall ensure that the City receives original certificates of insurance and endorsements evidencing the existence of such coverage by the end of March each year, which shall be continued during any periods in which this Agreement is in force.

The Chamber hereby agrees to indemnify and hold harmless the City of West Chicago and the West Chicago Park District and their directors, officers, agents and employees from and against any and all claims, demands, actions, causes of action and other liabilities and expenses, including but not limited to attorney's fees, arising out of or in connection with the Festival, including but not limited to any such claims that may be asserted by any employees of the Chamber, any contractor, vendor or other service provider for the Festival. This indemnification provision shall survive the term of this agreement or any cancellation or abandonment of the terms and conditions contemplated herein.

The Chamber is responsible for obtaining, verifying and retaining all vendor and participant Certificates of Insurance and Waivers.

The Chamber hereby agrees that any and all work conducted at the Festival site shall be performed in accordance with all applicable laws of the City to provide a safe working environment for the Festival workers, volunteers and general public. Furthermore, the Chamber agrees to secure by means of contract/agreement with vendors for fireworks and carnival to provide additional insurance coverage as primary as respects the City, West Chicago Park District and the West Chicago Fire Protection District and their respective officials, agents, employees and volunteers. The Chamber shall also secure the written authorization of the companies conducting the Fireworks and the Carnival to allow the City permission to talk directly with their respective insurance companies to ensure that the Certificate of Insurance and the Endorsements comply with the terms of this Agreement and the City Code.

11. Neither this agreement nor any interest herein, or claim hereunder, shall be assigned or transferred by either the City or the Chamber.

JESSE WHITE – Secretary of State

March 2, 2020

As you are most likely aware, Public Act 101-0623, referred to as the License to Work Act, which takes effect on July 1, 2020 repeals the Secretary of State's (SOS) authority to suspend a person's driver's license when the person has failed to pay 10 or more violations of a municipality's or county's vehicular standing, parking or compliance regulations established by ordinance pursuant to Section 11-208.3 of the Illinois Vehicle Code.

As these suspensions do not take effect until 60-days after the SOS processes a certified report submitted by a municipality or county, as of May 1, 2020 the SOS will no longer accept certified reports requesting SOS to suspend a driver's license for these unpaid violations. Additionally, all current driver's license suspensions for unpaid standing, parking or compliance violations pursuant to 11-208.3 will be rescinded, effective July 1, 2020.

ARTICLE I. - ADMINISTRATIVE ADJUDICATION SYSTEM¹¹

Footnotes:

--- (1) ---

Editor's note— Ord. No. 18-O-0047, § 1, adopted Aug. 4, 2018, amended Art. I in its entirety to read as herein set out. Former Art. I, §§ 8-1—8-14, pertained to similar subject matter, and derived from Ord. No. 18-O-0017, 5-7-2018.

Sec. 8-1. - Creation of administrative adjudication system.

- (a) Pursuant to Division 2.1 of the Illinois Municipal Code, 65 ILCS 5/1-2.1-1 et seq., which authorizes municipalities to implement a system of administrative adjudication, there is created a system of administrative adjudication of charges of Code violations for the city of West Chicago. The system will authorize an administrative law judge to conduct adjudicatory hearings of cases instituted by city departments.
- (b) The city adopts Division 2.1 of the Illinois Municipal Code, 65 ILCS 5/1-2.1-1 et seq., as it may be amended from time to time. In the event of a conflict between said statutes and this article, this article shall prevail.
- (c) The adoption of this article does not preclude the city from using other lawful methods to enforce the provisions of this Code.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-2. - Purpose.

The purpose of the administrative adjudication system for Code violations is to provide a procedure by which charges of Code violations can be equitably and efficiently adjudicated administratively by an administrative law judge.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-3. - Jurisdiction.

Those matters subject to the administrative adjudication system provided for by this article are charges of violation of any regulation of the City of West Chicago, excluding traffic violations that regulate the movement of vehicles, so long as the relief sought is not a penalty of incarceration or a total fine in excess of fifty thousand dollars (\$50,000.00), excluding allowable costs. The fifty thousand dollars (\$50,000.00) limitation shall not apply to those cases brought to enforce the collection of any tax imposed and collected by the city.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-4. - Administrative hearings supervisor.

- (a) There is hereby established the office of administrative hearings. That office shall be directed by an administrative hearings supervisor, who shall be the city administrator, or his/her designee. The administrative hearings supervisor's function is to expedite the prosecution and/or correction of Code violations subject to the jurisdiction of the administrative adjudication system. The administrative hearings supervisor is authorized to manage the administrative adjudication process in the manner provided for in this article, which shall include determining the qualifications of administrative law judges, appointing administrative law judges, upon the appointment by the mayor and with the advice and consent of the city council; and establishing such rules and regulations, as may be necessary for the effective operation of the administrative adjudication system. The city administrator may also appoint other persons to assist with the administrative adjudication system provided for in this article.
- (b) Any violation prosecuted under administrative adjudication which is not listed in the below table is subject to the general penalty provisions of section 1-8 of this Code.
- (c) Any offense listed in the below table of this chapter may be settled, comprised and paid in the respective amounts and within the respective time frames set forth in the below table of offenses and fines.

Sec. 8-5. - Qualifications of administrative law judge.

Prior to conducting administrative adjudication proceedings under this article, the administrative law judges shall have successfully completed a formal training program that includes the following:

- (1) Instruction on the rules of procedure of the administrative hearings over which the administrative law judges shall preside;
- (2) Orientation to each subject area of the Code violations they will adjudicate;
- (3) Observation of administrative hearings; and
- (4) Participation in hypothetical cases, including ruling on evidence and issuing final orders.

In addition, an administrative law judge must be an attorney licensed to practice law in the State of Illinois for at least three (3) years, and be in good standing with the Attorney Registration and Disciplinary Commission of the Supreme Court of Illinois. An administrative law judge may not be a resident of the City of West Chicago.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-6. - Scope of authority of administrative law judges.

Administrative law judges shall preside over adjudicatory hearings. The authority of an administrative law judge shall encompass all acts necessary to conduct fair and impartial adjudicatory hearings, including, but not limited to:

- (1) Hearing testimony and accepting evidence that is relevant to the existence of the Code violation.
- (2) Administering oaths and affirmations to witnesses.
- (3) At the request of any party or on the administrative law judge's own motion, issuing subpoenas for the attendance of relevant witnesses and/or the production of relevant books, records, or other information. Subpoena issuance shall be at the discretion of the administrative law judge, where it is determined that the requested witness or document is material to the defense of the

allegations and does not constitute a needless presentation and that the elements of the defense sought to be proved could not otherwise be established without the production of the requested evidence.

- (4) Preserving the record of the hearing, including all exhibits and evidence admitted into the record at the hearing.
- (5) Issuing a determination based upon a review of the notice of violation, citation, other charging document (hereinafter, "charging document") and on the evidence admitted, which determination shall be final for purposes of judicial review under the Illinois Administrative Review Act. The determination shall be in writing, shall be signed by the administrative law judge, shall be designated as finding(s), decision, and order, and shall include the fine, penalty or action with which the respondent must comply.
- (6) Upon finding a respondent liable for violating one (1) or more charged Code provisions:
 - a. Imposing penalties as provided by the governing penalty provision, except, however, that in no event shall an administrative law judge have authority to (i) impose a penalty of incarceration, or (ii) impose a fine in excess of fifty thousand dollars (\$50,000.00), excluding allowable costs. When applicable, each day a Code provision is found to have been violated by the respondent shall constitute a separate offense, and each separate offense subjects the respondent to the penalty provided by the governing penalty provision.
 - b. Imposing, in addition to fines, administrative and/or enforcement costs and, when applicable, imposing costs incurred by the city for effecting compliance with Code provision(s) for which a respondent has been found liable.
 - c. Ordering, notwithstanding fines imposed or costs assessed, the respondent to comply with Code provision(s) found to have been violated, and, if appropriate, ordering the respondent to post a compliance bond as provided by subsection 8-11(b).
 - d. Ordering, regardless of fines imposed or costs assessed, the respondent to perform a term of community service.
- (7) Adhering to the policies, procedures, and legislation set forth in the city Code, except where discretion is specifically vested in the administrative law judge. However, an administrative law judge is authorized to waive the fine and/or costs that otherwise would be imposed upon finding a respondent liable for one (1) or more Code violations when the administrative law judge specifically finds as a matter of fact that the violation(s) occurred under such circumstances that, as a reasonable person, would constitute an excuse for the violation(s).
- (8) Asking questions of the parties and witnesses, if necessary, to ensure the clarity and completeness of the testimony and the record.
- (9) Regulating the course of the hearing in accordance with this article, the rules adopted by the administrative hearings supervisor for the conduct of administrative hearings, and other applicable law.
- (10) Hearings on appeals from the orders of the administrative hearings supervisor, or his designee.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-7. - Administrative hearings.

- (a) All administrative hearings conducted by an administrative law judge are open to the public and shall be presided over by a duly appointed administrative law judge who is charged with providing the parties a full and fair opportunity to be heard.
- (b) The city shall not be represented by an employee or other representative of the office of administrative hearings. However, documentary evidence, prepared by another department of the

city and submitted to the administrative law judge, may be presented at the hearing by the administrative hearing supervisor.

- (c) All administrative hearings shall be conducted on the date set for hearing. In rare instances and for good cause shown, a continuance may be granted at the discretion of the administrative law judge. The purpose of administrative hearings is to provide a prompt resolution of alleged Code violations. Accordingly, the request for, and the grant of, continuances shall be curtailed to the extent fairness permits. Lack of preparation shall not be grounds for a continuance. Continuances shall not be granted for more than two (2) months or twice per case, unless good cause is shown.
- (d) The administrative law judge may issue subpoenas.
- (e) The formal and technical rules of evidence may be waived in the conduct of the hearing. Evidence, including hearsay, may be admitted only if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs.
- (f) The administrative law judge shall permit persons to contest the merits of an alleged violation subject to the administrative adjudication procedures of this article without attending a hearing. Any person, who wishes to contest a vehicular violation, must file a notarized statement of facts specifying grounds for contesting the violation notice, which must be filed with the office of administrative hearings, postmarked within ten (10) days of the issuance of the notice of violation. The request shall be deemed filed, if postmarked by such due date. The submission of a notarized statement of facts is a waiver of the person's right to a personal appearance and the administrative law judge will make his/her decision based upon the notarized statement of facts submitted by the person and the facts contained in the notice of violation(s).
- (g) No violation may be established except upon proof by a preponderance of the evidence. However, the original or a legible copy of the charging document, issued in accordance with the applicable provisions of this Code, shall be prima facie evidence of the correctness of the facts specified in the document.
- (h) The administrative hearings supervisor shall determine the manner in which the record shall be preserved. Such preservation may be made by tape recording or other appropriate means, in accordance with the Illinois Open Meetings Act. Recording by any means by any member of the public is prohibited unless expressly authorized by the administrative hearings supervisor. The record of all hearings before an administrative law judge shall include a copy of the findings, decision, and order of the administrative law judge's final determination.
- (i) At the conclusion of a hearing, the administrative law judge shall issue his/her final determination. If the administrative law judge issues a final determination of liability, he or she may impose fines, assess costs, and make orders, all as provided by subsection 8-6(6), and as are consistent with the specific Code provision(s) found to have been violated.
- (j) At the conclusion of the hearing, the administrative law judge shall inform the parties orally and in writing of his determination. Such determination shall constitute a final determination for purposes of judicial review and is subject to review under the Illinois Administrative Review Act. Based on the charging document and the evidence admitted, the administrative law judge may issue the following determinations: liable, not liable, or liable upon a plea of no contest. The administrative law judge also may dismiss the case with or without prejudice or grant a properly made motion by the city voluntarily dismissing the case.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-8. - Procedure.

All matters to be adjudicated by the administrative law judge shall be commenced against the party alleged to have violated one (1) or more Code provisions by issuing and serving upon that party a charging document and shall be conducted in accordance with the following procedures:

- (1) The charging document shall be issued by a city officer or employee so authorized and served as provided for in subsection 8-8(3).
- (2) a. Any charging document issued pursuant to this section 8-8 shall contain the following information:
 1. The name; city department; position; and identification number, if applicable, of the person issuing the charging document;
 2. The name and address of the person or entity being charged with one (1) or more Code violations ("respondent");
 3. The name and address of the person to whom the charging document is given if that person is not the respondent;
 4. The section(s) of the Code alleged to have been violated;
 5. The date, time, and place of the alleged violation(s);
 6. A legally sufficient description of the activity or conduct alleged to constitute a violation of each Code section set forth in the charging document or a legally sufficient description of the facts giving rise to the allegations set forth in the charging document;
 7. The complainant's name if the complainant is not the issuing city officer or employee.

The city officer or employee shall certify the correctness of the information required by this subsection (2)1. by signing his/her name to the charging document to be issued. Compliance with this subsection (2)1. shall establish a prima facie case.
- b. A charging document issued pursuant to subsection (2)1. also shall set forth:
 1. The date, time and place of the adjudicatory hearing to be held with respect to the violation(s) alleged in the charging document; and
 2. The legal authority and jurisdiction under which the hearing will be held.
- (3) a. The hearing shall be scheduled with reasonable promptness, provided that for hearings scheduled in all nonemergency situations, the respondent shall have at least fifteen (15) days after service of process to prepare for a hearing, if requested by the respondent. For purposes of this subsection, "non-emergency situation" means any situation that does not reasonably constitute a threat to the public interest, safety or welfare.
- b. The respondent named in a charging document shall be given notice of the date of the adjudicatory hearing which may appear on the face of the notice of violation, citation, or other charging document. Notice of the hearing date may be given in any of the following ways:
 1. By first class mail or by overnight or two-day commercial delivery service at the respondent's last known address or if the respondent is a business entity, at any address identified for its registered agent or at its principal place of business;
 2. By personal service;
 3. By posting upon the property that is the site of the alleged violation(s) when the respondent is the owner or person in control of the property; or
 4. By any other means permitted by law for service of civil summons.
- c. If service is provided by first class mail or by overnight or two-day commercial delivery service, the fifteen-day period shall begin to run on the day that the notice is deposited in the mail or given to the commercial delivery service, as applicable.
- (4) The original or a legible copy of the notice of violation, citation, or other charging document shall be filed with the office of administrative hearings as soon as practicable at the place and in

the manner as the administrative hearings supervisor directs. Upon receiving the original or legible copy of the charging document, the administrative hearings supervisor shall select a hearing date and give respondent notice of the date, time, and place of the hearing in the manner set forth in subsection (3)c., unless the charging document sets forth the date, time, and location of the hearing and was served on the respondent as provided in subsection (3)b.

- (5) Parties to an adjudicatory hearing may be represented by an attorney, present witnesses, and cross-examine opposing witnesses. Parties may request the administrative law judge to issue subpoenas according to the authority granted in subsection 8-6(3).

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-9. - Representation at hearings.

- (a) *City representation.* The case for the city may be presented by a city employee, or by an attorney designated by the city attorney, but not by an employee or other representative of the office of administrative hearings except as allowed by subsection 8-7(b).
- (b) *Respondent representation.* The case for the respondent may be presented by the respondent or by an attorney or agent of the respondent. An attorney or agent appearing at an adjudicatory hearing on behalf of a respondent shall present the administrative law judge with a signed appearance form stating, on oath or affirmation, that he or she has been authorized by the respondent to represent the respondent at the hearing.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-10. - Default.

- (a) If at the time set for hearing, the respondent, or his/her attorney or agent of record, fails to appear, the administrative law judge may enter a default judgment of liability against the respondent and impose fines and assess costs. A copy of the order of default shall be served in any manner permitted by this article and applicable to the violation. The order shall advise the respondent of the procedure for setting aside the default judgment and shall also apprise the respondent of the availability of an appeal of the default judgment to the Circuit Court of DuPage County. The default judgment shall be mailed promptly to the respondent as provided by subsection 8-8(3)a. The default judgment constitutes a final determination for purposes of judicial review and is subject to review under the Illinois Administrative Review Act.
- (b) A respondent against whom a default judgment has been entered may file a motion with the office of administrative hearings to set aside the default judgment and request a new hearing. A motion to set aside a default judgment may be filed at any time if the respondent alleges lack of subject matter or personal jurisdiction. In all other cases, the motion must be filed within twenty-one (21) days of entry of the default judgment. A motion to set aside a default judgment shall set forth the reason(s) the respondent failed to appear on the original hearing date. The administrative law judge shall hear and rule on the motion. If the administrative law judge grants the motion, a hearing will be held immediately on the alleged Code violation(s) set forth in charging document unless the respondent requests another hearing date and presents good cause for continuing the hearing.
- (c) If any default judgment is set aside pursuant to this section 8-10, the administrative law judge shall have authority to enter an order extinguishing any lien which has been recorded for any debt due and owing the city as a result of the vacated default judgment.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-11. - Fines; compliance bond.

- (a) All fines and other payments must be made within ten (10) calendar days from the date of the final determination.
- (b) If the administrative law judge issues an order of compliance, the administrative law judge may order the respondent to post either a cash bond or other security bond to ensure respondent's timely compliance. Any non-cash security bond shall name the city as beneficiary and shall be in the amount specified by the administrative law judge. Any bond issued as a result of an administrative law judge's order is subject to review and approval for sufficiency of the bond by the city administrator. If the respondent fails to timely remedy the Code violation(s) for which a bond has been issued and the city undertakes remediation or otherwise expends funds related to the Code violation(s), the administrative law judge, after giving the parties notice and opportunity to be heard, may issue an order permitting the city to draw against the bond in an appropriate amount. The administrative law judge shall order the bond amount, less the reasonable costs incurred by the city, returned to the respondent upon proof of compliance. Upon failure to achieve compliance, the administrative law judge shall, upon written petition of the city, increase the assessed fine by ten (10) percent for each day beyond the original compliance date that compliance has not been achieved.
- (c) Nothing in this article shall prevent the administrative hearings supervisor from issuing citations which are payable to the city without a hearing.

(Ord. No. 18-O-0047, § 1, 9-4-2018)

Sec. 8-12. - Enforcement of administrative law judge's order.

- (a) Any fine and any administrative, enforcement, or compliance costs imposed by an administrative law judge's order that remain unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures, unless stayed by a court of competent jurisdiction, shall be a debt due and owing the city and may be collected in accordance with applicable law.
- (b) After the expiration of the period for which judicial review may be sought, unless stayed by a court of competent jurisdiction, the determination of liability of an administrative law judge may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. At such time, the administrative hearings supervisor shall send a notice of final determination of liability to respondent.
- (c) Any fine, penalty, and/or cost remaining unpaid after the notice of final determination of liability is sent shall constitute a debt due and owing the city. Failure of the respondent to pay such fine or penalty within twelve (12) days of the notice may result in a lien against the respondent's property (and foreclosure of such a lien) or such other remedies as may be available by law, including the denial of the issuance or renewal of licenses or permits from the city.
- (d) In any case in which a respondent fails to comply with an administrative law judge's order to correct a Code violation, any expenses incurred by the city to enforce the administrative law judge's order, including but not limited to attorney's fees, court costs and costs related to property demolition or foreclosure, shall be a debt due and owing the city. Prior to any expenses being fixed by an administrative law judge pursuant to this subsection (d), the respondent shall be provided with notice that directs the respondent to appear at a hearing before an administrative law judge to determine whether the respondent has failed to comply with the administrative law judge's order. The notice shall set the place and the time for the hearing, which shall not be less than seven (7) days from the date the notice is served.
