11. New Business:

A. Elected Official Conduct Policy. The Mayor said several Aldermen wanted to have a discussion on this matter. City Attorney Bond has drafted a policy that can be amended. The Mayor then discussed some of the items in the policy such as being careful of what is put out on social media, and no one should speak outside of the executive session. Contact the Mayor if there are comments regarding the City Administrator and staff. Misinformation can lead to damage and panic. Personal time should be respected for staff and vendors, and contact with the City Attorney can be expensive.

Alderman Chassee said the draft was a good start, and she would like to see some portions fleshed out more. Alderman Hallett said he was 100% behind this policy. Alderman Garling asked how the Mayor voting affects the supermajority. City Attorney Bond explained how the supermajority would work. He further said the Council does not have the authority to remove any member, but the Mayor can remove Committee chairmanships. The Mayor said the policy is important to have and he thanked the Aldermen for looking over it.

Comprehensive Plan Contract

Resolution 20-R-0050

AGENDA ITEM NUMBER: 9.A.

FILE NUMBER: _____

COMMITTEE AGENDA DATE: Sept. 14, 2020

COUNCIL AGENDA DATE: Sept. 21, 2020

STAFF REVIEW: Tom Dabareiner, AICP

ITEM SUMMARY:

City Staff recently advertised for professional services to update the City's Comprehensive Plan, the long-range vision for West Chicago. The existing Plan document is 25 years old and the land use map (one component of the Plan) is 14 years old. A more typical timeframe for review of a Comprehensive Plan and its maps is every five years, so the City's extends well beyond the norm. As a city evolves, its plans should too.

In addition to being a tool for planning the future development and character of a City, the Plan provides significant legal protection when making and defending land use decisions. Being able to point out the basis for a land use, economic development, transportation or other recommendation carries a lot of weight in the courts, especially when the Plan is prepared with public input and recognition of current and anticipated trends. In 2020, it is easy to imagine that trends looked much different in 1995. Another reason for having a current Comprehensive Plan is that many grant applications require a more recent Plan as part of the qualification process.

The City received four proposals. The review process involved having three Staff members read each proposal and rank them. Staff considered the qualifications of each firm and their recognition of the unique attributes of West Chicago. While principals with all four firms had experience preparing Comprehensive Plans, two were selected for interviews because they demonstrated the greatest combination of experience and understanding of the City.

MUSE Community Design came out on top because they clearly took time to learn about West Chicago, its unique attributes and challenges. They have on their team an experienced planner from Mexico who will participate heavily in the outreach efforts and provide translation services. They teamed with a firm called the Antero Group, with specialties in both transportation and economic development. Another advantage for MUSE is that the firm's experienced Founding Principal, Courtney Kashima, will serve as project lead. Once the preferred firm was identified, Staff reviewed the cost proposal and found it reasonable given the detailed scope (attached) and adherence to all requests in the RFP. MUSE provided a not-to-exceed amount of \$123,160. It is anticipated that MUSE will complete the work before the end of 2021.

For the record, the other firms submitting proposals were:

- Camiros \$115,000
- Houseal Lavigne Associates \$109,960 (without translation of the final Plan)
- Teska Associates \$118,500
