**9. Reports by Committee:** None

**10. Unfinished Business:**

**A. Resolution 20-R-0056** – A Resolution Authorizing the Adoption of an Elected Official Conduct Policy

Alderman Chassee made a motion, seconded by Alderman Ferguson, to approve Resolution 20-R-0056. During discussion, Alderman Beifuss thought the draft was good and said the items

should be common sense. Some items are concerned with ethics and some with vexing/problematic behavior. He had some concerns with language and would like to see this tightened up. Some areas seem intentionally ambiguous. Item E seems to be a sort of catch all and could be tightened up. It seems on its face to prohibit legislative activities. He also thought Items J and K could be tightened up.

City Attorney Conway said as an example for Item E, if there is a zoning matter before the City Council, people will be trying to benefit from talk outside a City Council meeting.

The Mayor asked City Administrator Guttman if he could look at this and see how to clean up the verbiage.

Alderman Jakabcsin asked what the expectation is on verbiage. The document cannot spell out every possibility. Attorney Conway provided one example. Alderman Jakabcsin said he researched other cities. Most are cookie cutter but this one is very specific and better than the ones he has seen. He thought this one was quite thorough. City Administrator Guttman can set some examples, but not every possibility.

Alderman Chassee said she somewhat agrees with the City Administrator and Alderman Jakabcsin. She read Item E as the City Attorney explained it. She would like to see it come back with a statement of the intentions and provide some examples. While we cannot cover every eventuality, some things can be more specific.

Alderman Garling said everything cannot be covered in Item E, and using the example of zoning, no one should be speaking to the community saying, "yes that zoning will pass."

Alderman Jakabcsin said this is a living document and will evolve. It is not set in stone and changes can be made as needed. Alderman Beifuss agreed with the idea of providing some examples of the intent.

Alderman Chassee made a motion, seconded by Alderman Beifuss, to table this item to the next meeting. Voting Aye: Alderman Chassee, Beifuss, Sheahan, Brown, Hallett, Ferguson, Dimas, Garling, Swiatek, Short, Stout, Jakabcsin, and Ligin-Kubinski. Voting Nay: 0. Motion carried.

**11. New Business:** None

**13. Mayor's Comments.** The Mayor spoke of the spiking numbers of COVID-19 cases in West Chicago, the County, and the nation. The Illinois governor said we could go back a phase if the numbers continue to rise, and so we need to be careful and to think smart. Haggerty Ford has given thousands of masks to the food pantry, the police department, the fire department, and the VFW. The government is not forcing anyone to wear a mask, but it is important. Doctors said wear a mask until something else comes along. The Mayor said the City has been proactive and has put signage all over the community regarding washing hands, wearing a mask, and social distancing. The Mayor said the City is working with other communities to reduce the numbers. Restaurants are only at 25% now, but as winter comes on, they will suffer. He urged the Aldermen to do what they can to get the word out.

**14. Executive Session.** There was no executive session.

**15. Items to be Referred for Final Action from Executive Session.** Not applicable.

**16. Adjournment.** At 7:26 pm, Alderman Chassee made a motion, seconded by Alderman Stout, to adjourn. Voting Aye: Aldermen Chassee, Beifuss, Sheahan, Brown, Hallett, Ferguson, Dimas, Garling, Swiatek, Short, Stout, Jakabcsin, and Ligin-Kubinski. Voting Nay: 0. Motion carried.
