ITEM SUMMARY:

Staff is requesting to enter into an updated Intergovernmental Agreement with the Board of Education of West Chicago Community High School District No. 94. The City last entered into an Agreement with School District No. 94 in 2007. The updated version of this Agreement incorporates reciprocal reporting between School District No. 94 and the Police Department, access to District No. 94's security camera system, the use of a Body Worn Camera by the School Resource Officer and reflects changes in State Statute in regards to interviewing students.

Additionally, the updated Agreement reflects the fact School District No. 94 opted to utilize one, rather than two (per the existing Agreement) School Resource Officers for the 2020-21 school year. This change was prompted by the dramatic change in how school will be operating as a result of the current COVID situation, which will result in a majority of the students not being in the building.

Please see attached Intergovernmental Agreement for more information.

ACTIONS PROPOSED:

Forward the proposed updated Intergovernmental Agreement to the Board of Education of West Chicago Community High School District No. 94 for their review and consideration.

COMMITTEE RECOMMENDATION:

**AGREEMENT BETWEEN THE CITY OF WEST CHICAGO AND WEST CHICAGO
COMMUNITY HIGH SCHOOL DISTRICT #94**

This agreement is entered between the City of West Chicago (the "City") and Community High School District #94 (the "School District").

WHEREAS, the Illinois School Code, 105 ILCS 5/10-20.14(b), requires the School District parent - teacher advisory committee, in cooperation with local law enforcement agencies, to work with the board of education to develop "policy guideline procedures" for the establishment and maintenance of a reciprocal reporting system between the School District and local law enforcement agencies regarding criminal offenses committed by students; and

WHEREAS, under the Illinois School Student Records Act, 105 ILCS 10/6, school student records are considered confidential and no school student records, or information contained therein may be released, transferred or disclosed except as permitted by the Student Records Act; and

WHEREAS, under the Juvenile Court Act of 1987, 705 ILCS 405/1-7, law enforcement records are considered confidential and the inspection and copying of such records that relate to a minor who has been investigated, arrested or taken into custody before his or her 18th birthday are restricted to those exceptions in the Juvenile Court Act; and

WHEREAS, the Illinois School Student Records Act, 105 ILCS 10/6(a)(6.5), and the Family Educational Rights and Privacy Act, 20 U.S.C. 1232g, authorize school districts to release student records and information to juvenile authorities (including law enforcement officers) when necessary for the discharge of their official duties prior to adjudication of the student and upon written certification that the information will not be disclosed to any other party except as provided under law or order of court; and

WHEREAS, the Juvenile Court Act, 705 ILCS 405/1-7(A)(8), authorizes law enforcement agencies to allow appropriate school officials to inspect and copy law enforcement records under a reciprocal reporting system for certain offenses and under certain specified circumstances; and

WHEREAS, the Board of Education of the School District and the City agree that enhanced communication between these entities under a reciprocal reporting agreement would promote the safety and well-being of students and community residents; and

WHEREAS, the School District and the City are authorized to enter into this agreement pursuant to the Illinois School Code, 105 ILCS 5/10-20.14, the Illinois Constitution, art. VII, §10(a) et seq., and the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq.

NOW THEREFORE, the School District and the City hereby agree as follows:

1. **ESTABLISHMENT OF A REPORTING SYSTEM.** The School District and the City hereby enter into this Agreement to establish and maintain a reciprocal reporting system

between the School District and the City of West Chicago Police Department ("Police Department") regarding juvenile and criminal offenses involving students.

2. **REPORTING AND INFORMATION SHARING.** The School District and the Police Department acknowledge and agree to act in good faith to comply with the reporting responsibilities and limitations set forth herein, and as required by applicable law.

The School District's Superintendent shall provide the Police Department's Designee with a list of administrators to be contacted, as needed, containing regular and emergency telephone numbers, and identifying the particular types of problems for which particular administrators are to be contacted. The administrators identified in the list shall be considered the "Appropriate School Official" for purposes of subsection 1-7(A)(8) of the Juvenile Court Act, 705 ILCS 405/1-7 as amended, whom the School District has determined to have a legitimate educational or safety interest to protect the safety of students or employees in the school and aid in the proper rehabilitation of the child. The Police Department may, if not otherwise prohibited by law, provide to the School District copies of any such filming of students, parents, employees, or others on school property, upon request for such copies by the School District, as a law enforcement record. In the event that the Police Department receives advice that providing a copy of such videos is prohibited, the Police Department agrees to utilize its best efforts to facilitate the availability of the officer(s) that made the video to testify, upon request by the School District, in any disciplinary hearing concerning his/her/their knowledge of the facts and circumstances of the videoed incident. ITEM SUMMARY:

The Mexican Cultural Center (MCC) submitted the attached documentation of expenses for the Mexican Independence Day Festival that was scheduled to take place September 12-13, 2020. Per the Executive Proclamation from August 12, 2020, the Festival was cancelled. The MCC hosted a virtual event with videos online as well as murals displayed in the Downtown.

The City provided the MCC with \$11,500 per the Funding Agreement (20-R-0017). The final report shows that \$10,551.62 was spent, and \$948.38 unspent.

MCC purchased projecting equipment for \$1,646.43. Renting may have been more economical and City Staff recommends that in the future renting be explored before purchasing expensive equipment.

ACTIONS PROPOSED:

Recommend approval of the final report submitted by the MCC for MID 2020, with \$948.38 of unspent funds to be returned.

COMMITTEE RECOMMENDATION:

Dear City of West Chicago,

The Mexican Cultural Center would like to thank the City of West Chicago for continuing to honor the cultural heritage of West Chicago through Mexican Independence Day. 2020 has been a hard year that will go down in history for the monumental challenges it brought, but as our community has been very hard hit by the pandemic, we appreciate City staff working with us to ensure that we not only able to uplift everyone's spirits with a downtown art and virtual celebration this year, but that we were also able to further key cultural exchanges with our counterparts in Mexico to lay foundations for growth of this wonderful event and continue to create unique and dynamic content that sets West Chicago apart. Please find our attached reporting detailing our income and expenses for the event.

During this historic year and thankfully with the help of the City, our partners in the Mexico and the support of Illinois Humanities, we were able to pivot our Mexican Independence Celebration. Downtown West Chicago still received the festive art installations that we are used to and that brightened the daily journeys many make through the historic downtown, but the festivity itself became a virtual experience through our partnership with artisans in the State of Tlaxcala. The original tapeta installation that embodied migration through the plight of the monarch butterfly was still created in Mexico through our partners, and both West Chicago and Tlaxcala creating portions of a video that truly showcased our connections, and showcased the West Chicago community for its pride in heritage, celebration of the arts and environmental conservation. We were able to work with a videographer in the US who helped us film and piece together clips from both sides of the border, and who magically placed cultural heritage symbols on West Chicago landmarks. This premier event also allowed us to still host our inaugural year of artisan sharing, which was meant to be in the form of a physical artist-in-residency in West Chicago. We know that being able to still make this year's event happen will allow us to build upon this work and expand into 2021. We also now have an additional piece of video for the City to use as it markets itself as a unique place to live and visit.

We are continually grateful for the trust of the City in allowing us to organize this event and optimistically look forward to returning to an in-person celebration in downtown West Chicago in 2021. Over the past five years, we have expanded our partnerships and with the College of DuPage's Frida Exhibit to raise further awareness about Mexican culture in the summer of 2021, our community is perfectly positioned to shine.

We missed being all together this year, but the wonderful thanks you got from West Chicagoans and the over 2,000 people that have watched the online content have all enthusiastically appreciated the inspiring and heartwarming programming. Thank you for your support and collaboration in making that possible. Please feel free to contact me with any questions you may have about this report.

The CONTRACTOR hereby represents that s/he has complied with all Federal, State and local laws regarding business permits, licenses, reporting requirements, tax withholding requirements, and other legal requirements of any kind that may be required to carry out the services contemplated by this Agreement and shall provide proof of same upon request by the CLIENT. The CONTRACTOR also represents and warrants that his/her relationship with the CLIENT will not cause or require that s/he breach any obligation or confidence related to any confidential, trade secret and/or proprietary information of any other person, company or entity. Furthermore, the CONTRACTOR acknowledges that s/he has not brought and will not bring or use in the performance of his or her duties for the CLIENT any proprietary or confidential information, whether or not in writing, of a former contracted company or other entity without that entity's written permission or authorization. The breach of this condition shall result in automatic termination of the relationship as of the time of the occurring breach.

For the purpose of this Agreement, "*Proprietary Information*" shall include, but is not limited to, any information, observation, data, written materials, records, documents, drawings, photographs, layouts, computer programs, software, multi-media, social media, firmware, inventions, discoveries, improvements, developments, tools, machines, apparatus, appliances, designs, work products, logo, system, promotional ideas and material, customer lists, customer files, needs, practices, pricing information, process, test, concept, formulas, method, marketing information, technique, trade secrets, products and/or research related to the actual or anticipated research development, products, organization, marketing, advertising, business or finances of the CLIENT, its affiliates, subsidiaries or other related entities. The CONTRACTOR herein acknowledges that the CLIENT has made, or may make, available to the CONTRACTOR its Proprietary Information including, without limitation, trade secrets, inventions, patents and copyrighted materials. The CONTRACTOR acknowledges that this information has economic value, actual or potential value, that is not generally known to the public or to others who could obtain economic value from its disclosure or use, and that this information is subject to a reasonable effort by the CLIENT to maintain its secrecy and confidentiality. The CONTRACTOR shall comply with any reasonable rules established from time

B

OWNERSHIP OF PROPRIETARY INFORMATION. All rights, title and interest of any kind and nature whatsoever, in and to the Proprietary Information made, written, discussed, developed, secured, obtained or learned by the CONTRACTOR during the term of this Agreement and for indefinitely immediately following its termination, shall be the sole and exclusive property of the CLIENT for any purpose or use as it deems necessary or fit. Furthermore, the CONTRACTOR shall promptly and fully disclose to the CLIENT, in confidence and in writing, (i) all Proprietary Information that the CONTRACTOR creates, conceives or reduces to practice, either alone or in conjunction with others, during the term of this Agreement, and (ii) all patent applications and copyright registrations filed by the CONTRACTOR within indefinitely after the termination of this Agreement, including, but not limited to, the materials and methodologies involved in same. The covenants set forth in the preceding sentences shall apply regardless of whether the Proprietary Information is made, written, discussed, developed, secured, obtained or learned (i) solely or jointly with others; (ii) during the usual hours of work or otherwise; (iii) at the request and upon the suggestion of CLIENT or otherwise (iv) with CLIENT's materials, tools, instruments, or (v) on CLIENT's premises or otherwise. The CONTRACTOR irrevocably appoints the CLIENT to act as the CONTRACTOR's agent, representative and attorney-in-fact to perform all acts necessary to obtain and/or maintain patents, copyrights, trade-marks and similar rights to any Proprietary Information assigned by the CONTRACTOR to the CLIENT under this Agreement. The CONTRACTOR acknowledges that the grant of the foregoing power of attorney shall survive the death or disability of the CONTRACTOR. There is nothing contained within this Agreement that shall be construed to preclude the CLIENT from exercising any and all of its rights and privileges as sole and exclusive owner of all the Proprietary Information owned by or assigned to the CLIENT under the provisions of this Agreement. The CLIENT, in exercising such rights and privileges with respect to any particular item of Proprietary Information, may decide not to file any patent application or copyright registration on said Proprietary Information, may decide to maintain said Proprietary Information secret and confidential, or may decide to abandon said Proprietary Information, or dedicate it to the public. The CONTRACTOR shall have no authority to exercise any rights or privileges with respect to the Proprietary Information herein described that is owned by or assigned to the CLIENT.

OWNERSHIP OF SOCIAL MEDIA. The CLIENT shall have sole ownership over any social media contacts acquired throughout the CONTRACTOR's term of service, including, but not limited to: "followers" or "friends" which may be or have been acquired through such accounts as email addresses, blogs, Twitter, Facebook, YouTube or any other social media network that has been used or created on behalf of the CLIENT.

RETURN OF PROPRIETARY INFORMATION. Any and all documents, records and books which may be related to the Description of Services as set forth in this Agreement, or any other Proprietary Information shared with CONTRACTOR, shall be maintained by the CONTRACTOR at his/her principal place of business and be open to inspection by the CLIENT during regular working business hours. The documents, records and books which the CLIENT shall have the right to inspect and receive copies of include, but are not limited to, any and all contract documents, any change or purchase orders, and any other items related to the work which has been authorized by the CLIENT on an existing or a potential project related to the services contemplated by this Agreement. Upon termination of this Agreement, or upon the request of CLIENT, the CONTRACTOR shall promptly and immediately deliver to CLIENT any and all property in its possession or under its care and control, including but not limited to, documents, records, or books, or any other Proprietary Information such as customer names and lists, trade secrets and

B

intellectual property, or items such as computers, equipment, pass keys, tools, plans, recordings, software, and all related records or accounting/financial information. CONTRACTOR acknowledges that any breach or threatened breach of this Section of the Agreement will result in irreparable harm to CLIENT for which monetary damages could be an inadequate remedy. Therefore, CLIENT shall be entitled to equitable relief, including an injunction, in the event of such breach or threatened breach by CONTRACTOR as outlined in this Agreement. Such equitable relief shall be in addition to CLIENT's rights and remedies otherwise available at law.

CONFIDENTIALITY CLAUSE. Except as otherwise essential to the CONTRACTOR's obligations in accordance with this Agreement, the CONTRACTOR shall not make any disclosure or divulge any aspect of this Agreement, including the terms and conditions hereof, or any of the Proprietary Information contemplated herein, except as considered essential to the CONTRACTOR's obligations in accordance to his/her relationship with the CLIENT. The CONTRACTOR shall not make any duplication or other copy of any Proprietary Information without prior written authorization from the CLIENT. The CONTRACTOR also shall not remove any Proprietary Information, property or documents, without obtaining prior consent or authorization from CLIENT. The CONTRACTOR shall have the affirmative duty to notify each person to whom any disclosure is made that such disclosure was made in confidence and shall be kept in confidence by that individual, and that said individual shall be legally bound by the provisions of this Agreement to the same extent as the CONTRACTOR. Moreover, the CONTRACTOR agrees not to reveal any of this information to anyone, nor to use this information to the detriment of CLIENT in any way. Failure on CONTRACTOR's part to comply with this Section shall constitute a breach of this Agreement and entitle CLIENT to all remedies under the law as well as those specifically outlined in this Agreement.

COPYRIGHT & REPRODUCTION RIGHTS. All of CONTRACTOR's work under this Agreement shall be deemed "work for hire" and as such, the copyrights of the same shall belong to CLIENT. The CONTRACTOR hereby agrees not to sell, barter or share Proprietary Information obtained or developed during the performance of the services contemplated by this Agreement to any person, company, group, advertising agency, or otherwise, unless CONTRACTOR has CLIENT's express written permission. Any use that exceeds this limited scope, or does not comply with these conditions, shall be strictly prohibited and be deemed a violation of this Agreement entitling CLIENT to pursue all legal remedies and subjecting CONTRACTOR to all penalties allowed under the law.

DEFINITION OF "WORK FOR HIRE." The CONTRACTOR herein acknowledges and agrees that all work of authorship performed for the CLIENT under this Agreement shall be subject to the CLIENT's direction and control and that such work constitutes 'Work for Hire' as such term is defined in 17 U.S.C. § 201 & 202 — *Ownership of Copyright & Material* To that end, the CLIENT shall be considered the 'Author of Program' pursuant to the relevant U.S. Copyright laws. Any and all 'works for hire' shall be the sole and exclusive property of the CLIENT. Furthermore, consistent with the CONTRACTOR's recognition of the CLIENT's sole and complete ownership rights in said materials, the CONTRACTOR agrees not to make use of any Proprietary Information, or any part thereof, for the benefit of any party other than the CLIENT. The CONTRACTOR acknowledges that this Agreement does not apply to any invention, creation, idea or design for which no equipment, supplies, facility or trade secret information of the CLIENT was used and that was entirely on the CONTRACTOR's own time and (i) does not relate to the CLIENT's business or to the actual or anticipated research or development work of the CLIENT;

B

or (ii) does not result from any work performed by the CONTRACTOR for the CLIENT. The burden of proof shall rest with the CONTRACTOR with regards to the exceptions contained within this section.

PATENT APPLICATIONS. The CLIENT herein agrees to cover and pay for any and all expenses related to the preparation, execution and prosecution of any patent applications made in the United States of America and all foreign countries wherein the CLIENT may desire to obtain patents. Excluded from this Agreement are any inventions and/or improvements which are related to the CLIENT's business that were made by the CONTRACTOR prior to commencement of this Agreement as follows: (i) as embodied in the United States Letters Patent or any application for a United States Letters Patent that was filed prior to commencement of this Agreement; or (ii) one in the possession of a former company who has already applied and who now owns the invention; or (iii) as set forth in any attachment hereto. Except as otherwise noted on the back of the signature page hereof, there are no inventions heretofore made or conceived by the CONTRACTOR that s/he deems to be excluded from the scope of this Agreement and CONTRACTOR hereby releases the CLIENT from any and all claims by the CONTRACTOR by reason of any use by CLIENT of any invention heretofore made or conceived by the CONTRACTOR.

EXCLUSIVITY, MARKETING AND ADVERTISING. CONTRACTOR understands that while working on an assignment provided by CLIENT he/she represents CLIENT and not any other business, including his/her own business. While on assignment for CLIENT, CONTRACTOR shall not advertise his/her own business, shall not solicit work for him/herself, and shall only distribute CLIENT's business cards, name, and marketing materials. While not on one of CLIENT's assignments, CONTRACTOR may pursue other work for him/herself as long as it does not directly compete with CLIENT as described in this Agreement. The CONTRACTOR shall be allowed to promote or advertise (including such things as conducting marketing surveys, mass marketing, direct mailing programs or use of the internet in such advertising or promotional capacity), any of CLIENT's services and/or products by obtaining the CLIENT's authorization or consent. The CONTRACTOR shall only make use of promotional and informational materials, including, but not limited to, policy applications, marketing materials, training materials and other CLIENT forms, which have been supplied to the CONTRACTOR by the CLIENT or which have been approved in writing by an authorized agent, representative or official of the CLIENT, collectively known as the "Materials." The CONTRACTOR shall only use the Materials in compliance and in accordance with the CLIENT's advertising guidelines then currently in effect. Any such Materials made available to the CONTRACTOR and approved by the CLIENT shall in no way be reproduced, modified or altered in any respect or manner without first obtaining prior written approval. Any materials created by the CONTRACTOR and approved by the CLIENT shall not be modified or altered without the CLIENT's prior written authorization or consent. The CLIENT reserves the right to request from the CONTRACTOR, at any time, samples of any Materials which the CONTRACTOR may be using to verify compliance with the terms and conditions of this paragraph, and furthermore, the CONTRACTOR agrees to provide such samples to the CLIENT within 30 days of the CLIENT's written request. Any and all allowable use by the CONTRACTOR of the CLIENT's Trademarks and/or Logo shall inure to the CLIENT's benefit, under the CLIENT's control, and may be terminated by the CLIENT at will without notice and for any reason. The CONTRACTOR agrees that s/he shall not challenge, directly or indirectly, the validity of the CLIENT's Trademark or Logo or the CLIENT's ownership of said Trademark and/or Logo. The CONTRACTOR shall not make use of the CLIENT's

B

Trademark and/or Logo on any internet website and, furthermore, shall not register or use any domain names, meta tags, search engine keywords, hidden texts or URLs that may include any of the CLIENT's Trademark and/or Logo without first obtaining the CLIENT's prior written approval.

CLIENT'S RIGHT TO SUSPEND OR ALTER WORK. The CLIENT reserves the right to inspect, stop and/or alter the work of the CONTRACTOR at any time to assure its conformity with this Agreement and the CLIENT's needs. At any time, the CLIENT may, without cause, direct the CONTRACTOR, by way of providing 1 Day days prior written notice, to suspend, delay or interrupt work or services pursuant to this Agreement, in whole or in part, for such periods of time as the CLIENT in its sole discretion may see fit or necessary. Any such suspension shall be effected by the delivery of a written notice to the CONTRACTOR of said suspension specifying the extent to which the performance of the work or services under this Agreement is suspended, and the date upon which the suspension becomes effective. The suspension of work and/or services shall be treated as an excusable delay. Moreover, if at any time the CLIENT believes that the CONTRACTOR may not be adequately performing its obligations under this Agreement or may be likely to fail to complete their work/services on time as required, then the CLIENT may request from the CONTRACTOR provide written assurances of performance and a written plan to correct observed deficiencies in performance. Any failure to provide such written assurances constitutes grounds to declare a default under this Agreement.

TERMINATION. Either party may terminate this Agreement in whole or in part, whenever they shall determine that termination is in their best interest. Termination shall be effected by providing 1 days written notice of termination specifying the extent to which performance of the work and/or services under this Agreement is terminated, and the date upon which such termination shall become effective. The CONTRACTOR shall then be entitled to recover any costs expended up to that point, but no other loss, damage, expense or liability may be claimed, requested or recovered except as provided in this Agreement. In no event shall the CLIENT be liable for any costs incurred by or on behalf of the CONTRACTOR after the effective date of the notice of termination. The termination pursuant to the provisions contained within this paragraph shall not be construed as a waiver of any right or remedy otherwise available to the CLIENT. In addition, if the CONTRACTOR is convicted of any crime or offense, fails or refuses to comply with the written policies or reasonable directive of CLIENT, is guilty of serious misconduct in connection with performance hereunder, or materially breaches any provisions of this Agreement, the CLIENT may terminate the engagement of the CONTRACTOR immediately and without prior written notice.

EXECUTION. During and throughout the duration of this Agreement, and upon the request of and without any compensation other than that which is herein contained, the CONTRACTOR shall execute any documents and take action which the CLIENT may deem necessary or appropriate to ensure the implementation of all the provisions of this Agreement, including without limitation, assisting the CLIENT in obtaining and/or maintaining any patents, copyrights or similar rights to any Proprietary Information assigned and allocated to the CLIENT. The CONTRACTOR further agrees that the obligations and undertakings herein stated within this section shall continue beyond termination of this Agreement. Should the CONTRACTOR be called upon for any such assistance after termination, then the CONTRACTOR shall be entitled to fair and reasonable payment in addition to reimbursement of any expenses which may have been incurred at the request of the CLIENT. The CONTRACTOR nevertheless agrees to execute and deliver any agreements and documents prepared by the CLIENT and to do all other lawful acts required to

establish, document and protect such rights.

INJUNCTIVE RELIEF. CONTRACTOR hereby acknowledges (i) the unique nature of the protections and provisions established and contained within this Agreement; (ii) that the CLIENT will suffer irreparable harm if CONTRACTOR were to breach any of said protections or provisions or his/her obligations under this Agreement; and (iii) that monetary damages may be inadequate to compensate the CLIENT for such a breach. Therefore, if CONTRACTOR were to breach any of the provisions of this Agreement, then CLIENT shall be entitled to injunctive relief, in addition to any other remedies at law or equity, to enforce such provisions.

LIABILITY. CONTRACTOR warrants and acknowledges that he/she shall be liable for any loss or any other financial liability suffered by CLIENT due to CONTRACTOR's failure to perform an assignment as contemplated by this Agreement. Other than a documented medical emergency or an "Act of Nature" beyond CONTRACTOR's control, CONTRACTOR shall be solely responsible for any loss caused by CONTRACTOR's failure to perform. In addition, CLIENT shall not be liable for any loss or damage to CONTRACTOR's equipment under the terms of this Agreement. CONTRACTOR's equipment shall be CONTRACTOR's sole and exclusive responsibility.

INDEMNIFICATION. The CONTRACTOR shall defend, indemnify, hold harmless, and insure the CLIENT from any and all potential damages, expenses or liabilities which may result from or arise out of any negligence or misconduct on part of the CONTRACTOR, or from any breach or default of this Agreement which may be caused or occasioned by the acts of the CONTRACTOR. The CONTRACTOR shall also insure that all of its employees and affiliates take all actions necessary to comply with all the terms and conditions established and set forth in this Agreement. Furthermore, the CONTRACTOR shall name the CLIENT as an additional insured on all related insurance policies including worker's compensation and general liability insurance.

NOTICES. Any and all notices, which may be required hereunder by any party to the other party, shall be executed by either personal delivery in writing, or by mail, registered or certified, postage pre-paid with a return receipt requested. Mailed notices must be addressed to the parties at the addresses contained in this Agreement. However, each party may change their address, thus requiring written notice of such change of address in accordance with this section. Any hand delivered notice shall be deemed communicated as of actual receipt; mailed notices shall be deemed communicated after five (5) days of mailing. The CONTRACTOR herein agrees to keep the CLIENT informed of any change of business and/or mailing addresses, as well as telephone, facsimile, email or any other relevant means of contact and communication.

CONTINUING EFFECTS. The CONTRACTOR's obligations with regards to all trade secrets and confidential information contained in this Agreement, shall continue to be in effect beyond the scope of the relationship as aforementioned, and said obligations shall continue to be binding upon not only the CONTRACTOR, but also the spouse, affiliates, assigns, heirs, executors, administrators and/or other legal representatives as well.

CHOICE OF LAW. This Agreement is to be construed pursuant to the current laws of the State of Illinois without giving effect to any conflict of laws principle. Jurisdiction and venue for any claim arising out of this Agreement shall be made in the State of Illinois, in the County of Kane.

MEDIATION, LITIGATION & ARBITRATION. If a dispute arises out of or relates to this Agreement, or the

alleged breach thereof, and if the dispute is not settled through negotiation, the parties agree first to try in good faith to settle the dispute through mediation. The mediation process shall be administered by the Illinois Mediation Services, or another administrator mutually agreed between the parties, and shall be a condition precedent to resorting to arbitration, litigation, or some other dispute resolution procedure. If the mediation process is unsuccessful, either party shall have the option of seeking either arbitration or filing a legal action in a court of competent jurisdiction. If the aggrieved party seeks arbitration, then the dispute shall be submitted to binding arbitration by the American Arbitration Association in accordance with the Association's commercial rules then in effect. The arbitration shall be conducted in the state of Illinois and shall be binding on both parties. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction to do so. Costs of arbitration, including attorney fees, will be allocated by the arbitrator. If, alternatively, the aggrieved party seeks to file an action in court, then the action must be brought a court of competent jurisdiction in the State of Illinois.

LEGAL FEES. Should any party initiate litigation, arbitration, mediation or any other legal proceeding ("Proceeding") against another party to enforce, interpret or otherwise seek to obtain legal or judicial relief in connection with this Agreement, the prevailing party in said proceeding shall be entitled to recover from the unsuccessful party any and all legal fees, cost, expenses, attorney's fees and any other cost or expense and fees arising from (i) such proceeding, whether or not such proceeding progresses to judgment, and (ii) any post-judgment or post-award proceeding, including without limitation, one to enforce any judgment or award resulting from any such Proceeding. Any such judgment or award shall contain a specific provision for the recovery of all such attorney's fees, costs, and expenses, as well as specific provisions for the recovery of all such subsequently incurred costs, expenses and actual attorney's fees.

ENTIRE UNDERSTANDING. This document and any schedules attached hereto constitute the entire understanding and agreement of the parties, and any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and carry no further force or effect. This Agreement shall be considered a separate and an independent document of which it shall supersede any and all other Agreements, either oral or written, between the parties hereto, except for any separately signed Confidentiality, Trade Secret, Non-Compete or Non-Disclosure Agreements to the extent that these terms are not in conflict with those set forth herein.

HEADINGS. The headings of the sections of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

SEVERABILITY. If any part of this Agreement is determined to be void, invalid, inoperative or unenforceable by a court of competent jurisdiction or by any other legally constituted body having jurisdiction to make such determination, such decision shall not affect any other provisions hereof and the remainder of this Agreement shall be effective as though such void, invalid, inoperative or unenforceable provision had not been contained herein.

MODIFICATIONS OR AMENDMENTS. No amendment, change or modification of this Agreement shall be valid unless in writing and signed by both parties hereto with the same degree of formality as this Agreement.

COUNTERPARTS. This Agreement, at the discretion of the parties herein, may be executed in

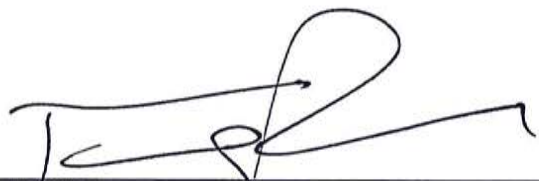

counterparts, each of which shall be deemed an original and all of which together shall constitute a single integrated document.

WAIVER. If either party fails to enforce any provision contained within this Agreement, it shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

DRAFTING AMBIGUITIES. All parties to this Agreement have reviewed and had the opportunity to revise this Agreement, and have had the opportunity to have legal counsel review and or revise this Agreement. The rule of construction that ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or of any amendments or exhibits herein.

COPIES. Both the CONTRACTOR and the CLIENT hereby acknowledges that they have received a signed copy of this Agreement.

IN WITNESS WHEREOF the undersigned have executed this Agreement as of the day and year first written above. The parties hereto agree that facsimile signatures shall be as effective as if originals.

CITY OF WEST CHICAGO

PUBLIC AFFAIRS COMMITTEE AGENDA ITEM SUMMARY

ITEM TITLE:

Artist-in-Residency Program / Downtown Art Installations
People Made Visible / West Chicago City Museum

AGENDA ITEM NUMBER: 5.B.**FILE NUMBER:** _____**COMMITTEE AGENDA DATE:** Nov. 23, 2020**COUNCIL AGENDA DATE:** _____**STAFF REVIEW:** Tom Dabareiner, AICP**SIGNATURE** _____
**APPROVED BY CITY ADMINISTRATOR:** Michael Guttman**SIGNATURE** _____**ITEM SUMMARY:**

Since 2007, People Made Visible (PMV) and the West Chicago City Museum have run an artist-in-residency program. Over the past 14 years, 22 artist projects have engaged the community through the artist projects that ranged from photography, pop-up art making on the streets of West Chicago, painting projects and artist performances.

For the past two years People Made Visible and the West Chicago City Museum have been working with artist Christopher Lucero to conduct oral histories of residents and create personally-themed calaveras of the individuals. Christopher designs the faces, which are then painted on to the West Chicagooan and photographed. These images have been showcased at Gallery 200 and throughout Chicagoland (examples attached). To date, Christopher has captured the stories of 20 West Chicagooans. This project is funded through PMV fundraising and \$500 from the 2019 Cultural Arts Commission budget.

In line with what is being done in other communities with large scale art installations and expanded mural projects to generate interest by residents, visitors and the media, PMV and the Museum are considering how more art can be installed throughout West Chicago. We are looking for feedback from the City about doing installations of artwork similar to the attached photos to buildings in downtown, mocked up in the attachment in a variety of locations *as examples*. These could be done as bracketed banners that could change on an annual basis, highlighting work of other artists and other projects, or be more semi-permanent panel installations.

Sara Phalen will be present to discuss this concept, representing PMV and the Museum.

ACTIONS PROPOSED:

Discussion and consideration of regular art installations at various locations downtown.

COMMITTEE RECOMMENDATION:

PC: Calaveras-themed attachment

Since 2007, People Made Visible and the West Chicago City Museum have run an artist-in-residency program. Over the past 14 years, 22 artist projects have engaged the community through the artist projects that ranged from photography, popup art making on the streets of West Chicago, painting project and artist performances.

For the past two years People Made Visible and the West Chicago City Museum have been working with artist Christopher Lucero to conduct oral histories of residents and create personally themed calaveras of the individuals. Christopher designs the faces, which are then painted on to the West Chicagoan and photographed. These images have been showcased at Gallery 200 and throughout Chicagoland, examples below. To date, Christopher has captured the stories of 20 West Chicagoans. This project is funded through PMV fundraising and \$500 from the 2019 Cultural Arts Commission budget.

In line with what is being done in other communities with large scale art installations and expanded mural project to great interest by residents, visitors and the media, PMV and the Museum are thinking through how more art can be installed throughout West Chicago. We are looking for feedback from the City about doing installations of artwork similar to the attached photos to buildings in downtown, mocked up below in a variety of locations as examples to show possibilities. These could be done as bracketed banners that could change on an annual basis, highlighting work of other artists and other projects, or be more semi-permanent panel installations.

The arts are an economic engine, not just providing jobs, but also aiding in the creation of more desirable locations for residents, those looking to relocate and also visitors who seek out unique communities and visit these locations, spending on average \$48 per person when they come into a community (Americans from the Artists economic engine calculator). Examples from other area communities that have successfully utilized similar outdoor artistic installations can be seen below.

Aurora, Illinois, which has successfully utilized the arts to anchor an extremely popular First Fridays monthly event and lent themselves to art town-wide attractions to bring people to the town during COVID.

Mural marks Glen Ellyn as the host of coming Frida Kahlo exhibit

Daily Herald | News

Geoff Bevington doesn't mind the interruptions. He's painted about 150 murals, but this one is special. It's his most personal. So when Metra commuters, Prairie Path users and students try to pull him aside from his unfolding work in downtown Glen Ellyn, Bevington is happy to talk about his inspiration and technique.

PUBLIC AFFAIRS COMMITTEE AGENDA ITEM SUMMARY

ITEM TITLE:

**West Chicago Railroad Days 2020
Final Report
Western DuPage Chamber of Commerce**

AGENDA ITEM NUMBER: 5.C.**FILE NUMBER:** _____**COMMITTEE AGENDA DATE:** November 23, 2020**COUNCIL AGENDA DATE:** _____**STAFF REVIEW:** Tom Dabareiner**SIGNATURE** **APPROVED BY CITY ADMINISTRATOR:**
Michael Guttman**SIGNATURE** _____**ITEM SUMMARY:**

The Western DuPage Chamber of Commerce submitted the attached documentation of expenses for West Chicago Railroad Days that was scheduled to take place Thursday, July 9 through Sunday, July 12, 2020 at Pioneer Park. The Public Affairs Committee discussed cancellation of Railroad Days on April 27, 2020 and the cancellation was confirmed by the City Council on May 4, 2020. The cancellation was based on state guidance regarding COVID-19, which has resulted in the cancellation of virtually all festivals to date.

The City requested a report of expenses and a return of the unspent portion of the \$15,000 that was supplied to the Western DuPage Chamber of Commerce the week of February 17, 2020. The \$15,000 was provided in accordance with the Funding Agreement between the City and the Western DuPage Chamber of Commerce per Resolution 17-R-0040 and is attached. On July 27 the Public Affairs Committee requested that the Chamber provide more documentation and also an explanation of efforts to mitigate the non-refundable deposits. The City has not received any proof of efforts to mitigate the non-refundable deposits, although the Chamber provided a general report on expenses, a handful of receipts, a contract, and estimates of staff time spent on a variety of event-related tasks.

The Western DuPage Chamber of Commerce is requesting to keep the \$15,000 due to the spending listed in the four categories below:

1. Estimated labor costs of \$9,921.50
2. A beverage provider dropped their Chamber membership of \$1,995
3. Lost marketing benefits owed sponsors \$4,000
4. Non-refundable deposits of \$2,925

Attached is the proposed addendum to the Railroad Days Funding Agreement 2017 through 2021, which sets forth the additional responsibilities for the Western DuPage Chamber of Commerce and the City when planning upcoming Railroad Days Festivals.

UPDATE:

The Chamber has responded with a letter that has been attached.

ACTIONS PROPOSED:

Further discussion of the final report and letter.

COMMITTEE RECOMMENDATION:

Western DuPage Chamber of Commerce

306 Main Street, West Chicago, Illinois 60185 ph. 630-231-3003

November 18, 2020

Nicolette,

During the regularly scheduled meeting of the Western DuPage Chamber of Commerce Board of Directors, the addendum proposed by the Public Affairs Committee was reviewed. It is the consensus of the Board that agreeing to the proposed addendum would restrict the Chamber such that meeting the terms of the funding agreement would be impossible. The following points were identified.

The assistance of a professional talent procurement agent has proven to reduce performer costs, broaden talent choices, eliminate performer cancellations (as they risk losing multiple shows if they were to do so) and insures that the coordination of large groups are easily managed throughout the event. This work is (was) performed to completion by the agent in 2020 as evidenced by the schedule submitted and posted online. The proposed addendum would require the Chamber to absorb this cost should event be cancelled as this service is not free and is completed generally by March 1st and often sooner.

There are few stage companies that can provide a stage required for this event and, a stage is required by the funding agreement. We have in the past been forced to pay for a larger and more expensive stage because we waited too long to sign the agreement; again, we are talking about March for a July event. Given the high demand and the unlikely increase of stage availability, none of the stage providers are willing to commit a stage through opening night of the event without recourse. At that point, 100% of the cost would be required.

The cancellation date was intentional as the Chamber is not able to financially underwrite the planning and management of the event without a reasonable opportunity to recover those costs. While some work is done prior to December 31st, that is a risk we knowingly assume but, we sign no contracts until after that date.

It is the belief of the Board that we have exceeded the expectations of the funding agreement and have provided an exceptional, safe, and inclusive event for the City of West Chicago throughout the term of the agreement. It is their desire to build on the relationship and continue to serve the City in any way possible and mutually beneficial.

Should the City wish to discuss alternative solutions that might meet with approval of the City of West Chicago and allow the Directors and Officers of the Western DuPage Chamber of Commerce to meet their fiduciary obligation, the invitation is open.

Please advise by contacting me at your convenience and, be well.

Respectfully,

David J Sabathne

2020 Railroad Days - Cost estimates Report to Board of Directors

The 2020 West Chicago Railroad Days Festival was officially cancelled by the City of West Chicago on May 4th as a response to the COVID-19 virus threat. The event, in compliance with the contract with the City of West Chicago was scheduled for July 9th through the 12th. While it was cancelled 9-weeks prior to opening, much of the chamber's staff time and resources are expended prior to this date.

The following explains many of the tasks required to plan and manage the event as well as other associated losses incurred because of the cancellation occurring well into the 2nd quarter of the chamber's budget year.

The funding agreement reduces the funding amount by \$10,000 from 2019 as it did in 2019 and 2018 from the original \$60,000 funded in 2017; current funding amount is \$30,000 plus in-kind services estimated at \$17,000. As such, every year the chamber attempts to reduce the overall cost of the event while providing both the mandated components (per contract) and a quality event for the community. To do this, each component of infrastructure and amenity is carefully reviewed and negotiated.

Negotiation meeting, calls and auditions:

Generators required to operate in Pioneer Park, location per contract with City of West Chicago. This included on-site meeting with their manager and consideration of various layouts of stage, trailers, vendors, beer garden and other amenities requiring electricity as well as compliance with City codes. In order to consider alternate and less expensive power options, a preliminary load needed to be determined by calling all previous vendors to ascertain interest in returning to the event and if so, the maximum amperage load of each piece of equipment.

The layout submitted to the City was modified from previous years to meet our goal.

Talent/entertainment:

Entertainment is not only a required component of the event, but it is the favorite feature offered throughout the four-day festival. There is no entry fee to attend Railroad Days and free concerts are a big draw. Fred Brennon is contracted by the chamber to seek out performers that offer a blend of music styles and genres.

All acts are proposed to the chamber to review, often by attending a performance that is open to the public; three acts were auditioned in person for the 2020 lineup. All others were reviewed by all staff by way of press kits, referrals, YouTube videos, Facebook, and other social media sources to ensure that each performer was appropriate in content and delivery. When approved, Mr. Brennon would present a contract for review, assist in negotiations and secure contract for performance.

Carnival:

Also, a required offering for the festival, the carnival is very popular and is the major source for revenue to support the event; \$25,000 - \$38,000 in recent years. One challenge is that weather can have an impact on the participation and particularly on days/times when a single price (wristband) is offered. In

2020, a *single price for each day was negotiated for Every day, All Day*. This was expected to both increase participation and revenue.

Stage, sound, and lighting:

Quality entertainment required quality sound equipment, stage, and lighting to enhance the overall experience for the audience. In keeping with the goal of working with a smaller budget while maintaining a superior experience for those attending these too were negotiated for 2020. The stage size was reduced, and the sound provider was also worked with to reduce the costs where possible.

Marketing:

The 2020 West Chicago Railroad Days web feature was fully developed to include all the entertainment lineup, vendor applications, bus schedule and location (considering construction), new carnival pricing and schedules. While this may seem easy, it is anything but. Whenever a change is made to the lineup, additional video clips or sponsors are added, changes must be made. In 2020 it was important to make the website mobile device friendly as it is estimated that 80% of visitors will use a mobile device for directions and to review activities.

In addition, radio and TV commercials were in production as well as the printed marketing materials i.e. fliers, posters, and City of West Chicago newsletter copy.

Summary of loss

While the chamber does not practice cost accounting and therefore must rely on estimates to determine time spent and other hard costs, this estimate is determined to be not less than **\$9950.00** un-weighted labor costs directly related to the 2020 West Chicago Railroad Days planning and management YTD. A total of **270 staff hours is a conservative estimate of work exclusive to West Chicago Railroad Days through May 2020.**

In addition, the beverage provider dropped their Chairman's Club membership of **\$1995.00** and the Chamber must now create additional marketing benefits for our sponsors or other benefits that will be valued equally to the marketing benefit expected from Railroad Days. The marketing benefit must be at or above **\$4,000.00** allocated to this event.

No-refundable deposits YTD are **\$2925.00** paid for talent acquisition and stage lease.

American Mobile Staging: \$1925

The Brennon Agency: \$1,000 *it should be noted that all talent contracts were completed and therefore the full \$2,000 fee should have been paid; 50% was negotiated for the benefit of the City of West Chicago by the Chamber.

Profit history: Net retained by the Western DuPage Chamber of Commerce

2017	\$34,787.48
2018	\$31,056.38
2019	\$26,141.12

Re: 2020 Railroad Days Funding information request

Dear Chairman,

During the Public Affairs Committee meeting July, the Western DuPage Chamber of Commerce was asked to provide greater detail of the expenses incurred relating to the planning and management of the 2020 West Chicago Railroad Days Festival. At that time, all chamber staff was furloughed or hours were reduced by 80% which made it impossible for us to compile the requested information immediately; we apologize for this unavoidable delay.

On August 17th the Chamber was able to recall all staff back to full pre-COVID levels and begin the reopening process. The Board of Directors and I have made it a priority to look back at the work related to our contractual obligation to the city and identify any detail that is available relating to the festival and report to you as soon as we can.

Attached are two payment receipts for work performed by outside contractors on behalf of the chamber but related to the 2020 West Chicago Railroad Days Festival. Each of these required a non-refundable deposit which was made and forfeited when the cancellation took place on or after May 4th, 2020.

Again, the Chamber staff will continue to dedicate time to respond to your request and hope that you accept our apology and understand that our organization is not exempt from disruptions related to the ongoing pandemic and did not qualify for the many benefits that most other businesses and organizations received; although as a leader within the community you should know that with our assistance substantial benefits were received by our West Chicago businesses.

2020 West Chicago Railroad Days

Western DuPage Chamber of Commerce

COST OF SERVICE REPORT

Introduction:

The Western DuPage Chamber of Commerce begins planning West Chicago Railroad Days no later than November 1st the year before scheduled event; November 2019 for July 2020 event. This is done for a number of reasons 1) sponsorship funding is reduced each year and therefore any area that may provide cost reductions is reviewed and negotiations begin. 2) Performers begin putting out feelers and begin to decide on their desired schedule. 3) booking entertainment begins in early January; penciled in bands are then inked for the year. Finally, since the City and Chamber have the option of cancelling the contract on or before December 31st, no contracts can be signed by the chamber until January 1st.

Internal (Chamber) Cost Detail

The following reflects the costs as outlined in the cost report given to the City of West Chicago in August. As requested by the Public Affairs Committee, greater detail has been added. These are best estimates based on a comprehensive review of scheduled appointments, documents, emails, contracts and such. As previously reported to the Committee, the chamber does not have a cost accounting protocol and therefore, like most organization, many tasks take place each day and often are unrelated except that they impact services and obligations that the chamber performs.

DESCRIPTION	STAFF HOURS	RATE	TOTAL
Generators required to operate in Pioneer Park, location per contract with City of West Chicago. This included on-site meeting with their manager and consideration of various layouts of stage, trailers, vendors, beer garden and other amenities requiring electricity as well as compliance with City codes. In order to consider alternate and less expensive power options, a preliminary load needed to be determined by calling all previous vendors to ascertain interest in returning to the event and if so, the maximum amperage load of each piece of equipment.

Entertainment is not only a required component of the event, but it is the favorite feature offered throughout the four-day festival. There is no entry fee to attend Railroad Days and free concerts are a big draw. Fred Brennon is contracted by the chamber to seek out performers that offer a blend of music styles and genres.

All acts are proposed to the chamber to review, often by attending a performance that is open to the public; three acts were auditioned in person for the 2020 lineup. All others were reviewed by all staff by way of press kits, referrals, YouTube videos, Facebook, and other social media sources to ensure that each performer was appropriate in content and delivery. When approved, Mr. Brennon would present a contract for review, assist in negotiations and secure contract for performance.

Also, a required offering for the festival, the carnival is very popular and is the major source for revenue to support the event; \$25,000 - \$38,000 in recent years. One challenge is that weather can have an impact on the participation and particularly on days/times when a single price (wristband) is offered. In 2020, a *single price for each day was negotiated for Every day, All Day*. This was expected to both increase participation and revenue.

This indemnification provision shall survive the term of this agreement or any cancellation or abandonment of the terms and conditions contemplated herein.

The Chamber is responsible for obtaining, verifying and retaining all vendor and participant Certificates of Insurance and Waivers.

The Chamber hereby agrees that any and all work conducted at the Festival site shall be performed in accordance with all applicable laws of the City to provide a safe working environment for the Festival workers, volunteers and general public. Furthermore, the Chamber agrees to secure by means of contract/agreement with vendors for fireworks and carnival to provide additional insurance coverage as primary as respects the City, West Chicago Park District and the West Chicago Fire Protection District and their respective officials, agents, employees and volunteers.
