Alderman Stout made a motion, seconded by Alderman Chassee, to adopt Ordinance 21-O-0029. During discussion, Alderman Garling asked why the number of liquor licenses has to be increased. 10. Unfinished Business. The Mayor read the following items:

A. Ordinance 21-R-0027 – An Ordinance Permitting Video Gaming in the City of West Chicago, DuPage County, Illinois, and Providing Regulations Therefore

B. Ordinance 21-R-0028 – An Ordinance Amending the Code of Ordinances of the City of West Chicago, Chapter 3, Alcoholic Beverages to Provide for Licensing of Video Gaming Establishment Where Alcohol is Permitted

Alderman Swiatek made a motion, seconded by Alderman Chassee, to adopt Ordinance 21-R-0027 and Ordinance 21-R-0028.

During discussion, Alderman Dimas said she appreciated all of the citizens that sent in letters or emails on this issue. They wanted to get their voices heard. People she has talked to in her ward do not want video gaming. Alderman Hallett said some people he has talked to that oppose video gaming think their voices do not matter and they are sad.

Alderman Jakabcsin concurred with Alderman Hallett. He said 69% of the people opposed video gaming in the 2018 Referendum. By moving forward with approval, it is insulting those people. The property taxes will not drop. Alderman Beifuss also cited the results of the 2018 referendum. He would like to see this put to another referendum.

Alderman Garling wished to amend the motion to make it dependent upon a binding referendum. City Attorney Bond said this is not recommended. There is no advantage to take an action on some event that may or may not occur. Alderman Garling was concerned that some of the people in public participation do not live in West Chicago so he was not sure how representative they are of the community. He would like the matter to go back to the community.

Alderman Chassee said 69% of West Chicago did not speak. It was 69% of 3000 voters who spoke. The issue came back because a number of people asked for it to be revisited. There have been many changes since 2018. COVID-19 came, the community changed, and businesses changed. She listened to all the comments, and respected everyone's opinion. She talked to many people who oppose video gaming. She listened to Chief Fleury. Video gaming is not primarily about tax revenue. It allows our businesses to be on an even footing with neighboring communities. There was interest in the old bowling alley as an adult venue, but they walked away when they found out we do not have video gaming. Alderman Brown also concurred with Alderman Chassee. She has spoken to many residents who would like to see video gaming. Some were not able to get out to vote.

Alderman Morano said he would echo Alderman Chassee. West Chicago was not the first to allow video gaming. Now there is data from those communities that allow it and we can make the decision on facts. He is in favor. A no vote would see a negative impact on our current and future business partners.

Alderman Jakabcsin said there was a lot of good information in the comments. His concern is where the population still stands. He also thought it should go back to a referendum. He then said he would like to make a motion to wait until the June 2022 election with a referendum similar to the 2018 referendum.

City Attorney Bond said there is a motion on the floor so the first and second movers would have to accept or withdraw their motions. He said Alderman Jakabcsin's motion seems to be different motion and not an amendment. Mayor Pineda asked Aldermen Swiatek and Chassee if they wished to withdraw their motion. They both said no.

Alderman Short said she respects everyone's opinion and she agrees with Aldermen Morano, Chassee, and Brown. She is not in favor of pushing this into June. A decision needs to be made now because our business owners are hurting now. She did not think it is fair to them to wait until June.

Alderman Beifuss made a motion, seconded by Alderman Garling, to table this item until after a referendum has been decided at the next possible election date. Voting Aye: Aldermen Beifuss, Hallett, Dimas, Garling, and Jakabcsin. Voting Nay: Aldermen Chassee, Brown, Sheahan, Dettmann, Birch-Ferguson, Swiatek, Short, Stout, and Morano. Motion failed.

Continuing discussion on the original motion, Alderman Beifuss asked if grocery stores that sell liquor and have a restaurant could have video gaming. City Administrator Guttman said yes if they meet the requirements. Mr. Guttman said he did not know about other towns.

Alderman Brown said there are strict guidelines of where the machines will be. People can gamble at every gas station and grocery store in town.

Alderman Jakabcsin thought the Council was overstepping its bounds, as it is important for voices to be heard. If these ordinances are adopted this evening, he will work to take it to the June 2022 elections. There will be enough to overturn this adoption.

Mayor Pineda asked City Attorney Bond if this could be put on the ballot. Attorney Bond said it could be if requested, but would be advisory, not binding. Binding referenda deal with taxes and increases in power. But, depending on the nature of the issue, it could be binding.

Alderman Chassee said the discussion is not on the motion, but how to overturn it so she called the question. Alderman Brown seconded the motion. Attorney Bond said it could be called if the Mayor wants to. Mayor Pineda said it would be called if everyone has been heard in the discussion. There was no more discussion. Voting Aye: Aldermen Chassee, Brown, Sheahan, Dettmann, Dimas, Birch-Ferguson, Swiatek, Short, Stout, and Morano. Voting Nay: Aldermen Beifuss, Hallett, Garling, and Jakabcsin. Motion carried.

Voting on the original motion, Voting Aye: Alderman Chassee, Brown, Sheahan, Dettmann, Birch-Ferguson, Swiatek, Short, Stout, and Morano. Voting Nay: Aldermen Beifuss, Hallett, Dimas, Garling, and Jakabcsin. Motion carried.

Alderman Dettmann said the veterans' banners up on Main Street look fantastic. With more work on this project, and with the City's support, in coming years the program will expand to include more veterans. Alderman Dettmann thanked Rosemary Mackey, who really worked hard, and Judy Knaak who brought the idea forward. Mayor Pineda thanked Alderman Dettman for getting this idea and running with it. The banner project is beautiful, and it is a perfect time for Veterans Day. He said we should always remember our veterans on the 11th month, the 11th day, and the 11th hour. He expressed regret that there could be no veterans' service this year, but hopes it will return next year.

13. Mayor's Comments. The Mayor said Halloween was successful. There were many people out and they practiced safety measures.

INFRASTRUCTURE COMMITTEE AGENDA ITEM SUMMARY

ITEM TITLE:

Purchase One 2022 Ford F-250 XL, Super Cab, 4x2, Pick-up Truck from Currie Motors, Frankford, Illinois - Suburban Purchasing Cooperative Contract Winner

AGENDA ITEM NUMBER: 8.A.**COMMITTEE AGENDA DATE:** November 4, 2021**COUNCIL AGENDA DATE:** November 15, 2021**STAFF REVIEW:** Timothy R. Wilcox, Assistant Director of Public Works**SIGNATURE** **APPROVED BY CITY ADMINISTRATOR:** Michael L. Guttman**SIGNATURE** _____**ITEM SUMMARY:**

For FY 2021, Public Works Department staff have planned and budgeted for the replacement of one 2003 Chevrolet 2500 pickup with a 2022 Ford F-250 XL, 4x2, super cab with service body and other equipment. The current vehicle is used by the Facilities Management Division for transportation and tool/equipment storage for maintaining City facilities. The unit is overdue for replacement.

To allow local vendors an opportunity to quote on the 2022 Ford F-250 XL, super cab, 4x2, pick-up truck, the City of West Chicago recently solicited price quotes from twelve Ford dealerships (i.e., eight local Ford dealerships, one Ford dealership from the Springfield, Illinois area and one Ford dealership from the Greenfield, Illinois area (both dealerships have previously held State of Illinois contracts), one Ford dealership from Taylorville, and one Ford dealership from Frankfort, Illinois which currently holds the Suburban Purchasing Cooperative (SPC) Program contract for the Ford F-250 (deadline to order is November 12, 2021 through the SPC).

The City of West Chicago is a member of the DuPage Mayors and Managers Association, which is one of the sponsors of the SPC, which is a joint purchasing program that represents 144 municipalities and townships in northeastern Illinois.

The cost to purchase the 2022 Ford F-250 XL, super cab, 4x2 pick-up truck from Currie Motors, Frankford, IL through the SPC contract is \$32,034.00.

From our request for proposal, only Haggerty Ford of West Chicago, Illinois responded with a proposal, in the amount of \$36,495.00. The proposal is in excess of the three percent local vendor preference policy (Resolution 12-R-0009).

Based on comparable pricing received, staff recommends ordering one 2022 Ford F-250 XL, super cab, 4x2 pick-up truck for the Public Works Department's Facilities Management Division from Currie Motors of Frankfort, Illinois, through the SPC contract for an amount not to exceed \$32,034.00. The order will need to be made prior to the deadline of November 12, 2021 and copy of the signed purchase order for said vehicle must accompany the order form.

In FY21, \$50,800.00 is budgeted in the Capital Equipment Replacement Fund (04-34-39-4804) for the replacement of this vehicle; however, the budgeted figure also includes a service body, which will be installed by a third party once the vehicle is received, at an estimated cost of around \$25,000. The service body installation costs have significantly risen over the past year.

CITY OF WEST CHICAGO

Due to current shortages related to the pandemic, production times are currently scheduled for the second quarter of 2022. Staff is seeking approval to order/purchase the 2022 Ford F-250 XL, super cab, 4x2 pick-up truck within the current budget, and be placed on the list to receive the new vehicle in 2022.

Since the delivery and service body build out will not occur until FY22, the vehicle is re-budgeted in FY22.

ACTIONS PROPOSED:

That the Infrastructure Committee authorize the order/purchase of one 2022 Ford F-250 XL, super cab, 4x2 pick-up truck from Currie Motors of Frankfort, Illinois, through the Suburban Purchasing Cooperative contract for a cost not to exceed \$32,034.00 prior to the order deadline of November 12, 2021.

COMMITTEE RECOMMENDATION:

The Infrastructure Committee voted 6-0 for approval.

INFRASTRUCTURE COMMITTEE AGENDA ITEM SUMMARY

ITEM TITLE:

Resolution No. 21-R-0098 – Contract Award – 2021
Engineering Assistance for WTP SCADA Upgrade /
Enhancement

AGENDA ITEM NUMBER: 8.B.**COMMITTEE AGENDA DATE:** November 4, 2021
COUNCIL AGENDA DATE: November 15, 2021**STAFF REVIEW:** Joseph Munder, Water Treatment Plant Superintendent**SIGNATURE** **APPROVED BY CITY ADMINISTRATOR:** Michael L. Guttman**SIGNATURE** _____**ITEM SUMMARY:**

The Water Treatment Plant (WTP) utilizes a system of Local Control Panels (LCPs) to provide control and data collection from the various treatment vessels and appurtenances throughout the plant. There are ten (10) LCP's in the Plant and each is equipped with a small computer commonly called a PLC (Programmable Logic Controller). These PLCs serve as a local point of contact for the items (e.g. valves) that are controllable and for items that provide feedback (e.g. meters) to the operators. The PLCs have reached the end of their life cycle and are in need of replacement. The currently installed devices are no longer produced by the manufacturer and replacement parts have become difficult to obtain. The remainder of the components in the LCPs are also aged to the point where new devices are warranted. The Variable Frequency Drives (VFDs) have also reached the end of their life cycle. These are critical items that allow the WTP operators to control the output of finished water to the distribution system. The controlling computer that runs the existing SCADA (Supervisory Control and Data Acquisition) software was most recently replaced in 2015. That computer is now two iterations out of date in its basic operation software (Windows 7 versus Windows 11). A new SCADA computer will be needed as well as a new or upgraded software package will be required to complete the upgrades and enhancements planned. It is in this light that staff has recommended a replacement and enhancement project for the SCADA System as well as the VFDs. The complexity of the contemplated plan has led staff to request engineering assistance in preparing plans and specifications for the intended project.

Four engineering firms were contacted and proposals were requested. Each of the firms participated in preliminary discussions with WTP staff to determine the scope and range of the planned upgrades and enhancements. Each of these firms can be considered expert in SCADA engineering and design. Trotter and Associates, Inc. of St. Charles, IL proffered the lowest responsible proposal of \$51,938.00 to provide engineering (design and construction) services to the City of West Chicago for the WTP SCADA/LCP project.

Staff recommends that a contract be awarded to Trotter and Associates, Inc. to provide Engineering Services for the WTP SCADA/LCP project.

Adequate funds have been budgeted in the Water Fund, Water Treatment Plant Operations – Other Capital Outlay (06-34-48-4806) to cover this expenditure. The cost of the actual improvements will be budgeted for in the FY2022 budget.

CITY OF WEST CHICAGO

ACTIONS PROPOSED:

Approve Resolution No. 21-R-0098 authorizing the Mayor to execute a contract with Trotter and Associates, Inc., to provide engineering services for the WTP SCADA/LCP project for an amount not to exceed \$51,938.00 for Fiscal Year 2021 and extending into Fiscal Year 2022.

COMMITTEE RECOMMENDATION:

The Infrastructure Committee voted 6-0 for approval.
