Pumpkin Composting

Judith Horsley said they collected about the same or a tad more than last year. Commissioner Blaus said Elmhurst doubled their car count from last year, and SCARCE posted overall good numbers.

Some of the group thought it would be better to host the event later in the year, or even a second collection event, since many people use pumpkins for fall decorations.

Mr. Wilcox expects a reply soon from Groot for total tons collected at the event.

Holiday Light Recycling

Mr. Wilcox contacted Groot and arrange for recycling totes and Gaylord container for the event. The drop off/collection schedule is for November 26, 2021 – January 21, 2022. Commissioner Blaus said he contacted Murphy's Ace Hardware and they will again allow a tote placed in the store. Other locations include 1400 W. Hawthorne (Water Treatment Plant), Library, City Hall, and the First United Methodist Church.
