13. Mayor’s Comments. The Mayor said West Chicago was up 479 cases from last week. This omicron virus is real and affects even those who have been vaccinated and received booster shots. The Mayor’s brother got very sick last week. The Mayor urged everyone to be careful: try to stay in, wear a mask – it is simple. There are several pop-up testing sites in West Chicago. Do your research. Most require an appointment, but the one next to Tampico, it is a walk in site.

Fermi Lab reached out for someone to be on their advisory board. He sat on the board for two years when discussing the collider. It was very interesting and enjoyable. Sitting with the smartest people in the world. Would like someone to step up and be on that committee. There will be a Zoom meeting in March.

The Mayor thanked everyone for website, which has positions listed, and we are getting great replies.

14. Executive Session. There was no executive session.

Rejection of all Bids and Re-bid - Headworks Influent Gate Replacement Project at West Chicago/Winfield Wastewater Authority Regional Wastewater Treatment Plant

COUNCIL AGENDA DATE: February 7, 2022

ITEM SUMMARY:

The City of West Chicago and the Village of Winfield jointly comprise the West Chicago/Winfield Wastewater Authority (WCWWA), which owns the Wastewater Treatment Plant (WWTP), which discharges to the West Branch of the DuPage River under NPDES Permit No. IL0023469. The WWTP receives and processes over five million (5,000,000) gallons of raw sewage daily from the both municipalities. The flow enters the WWTP at two locations. The flow from City of West Chicago enters the WWTP through a 36-inch gravity interceptor at the headworks while the flow from Village of Winfield enters the WWTP through a 20-inch forcemain into the grit chamber,

The two influent gates that control the gravity flow into the headworks lift station and the bypass flow to the excess flow clarifiers are currently inoperable. In September 2021, the WCWWA hired Clark Dietz, Inc. an engineering firm, to provide design services for the replacement of the two influent gates. Their scope of work included replacement of the two influent gates, one downward opening weir gate and one upward opening sluice gate; replace the motor operators and stands for the gates; specification for bypass pumping during the project; structural upgrades to the chambers including corrosion protection; grating and fall protection hatch upgrade, etc.

The Project was advertised for bids in the Daily Herald as well as on QuestCDN (an online bidding platform) on January 6, 2022. A mandatory onsite pre-bid was conducted on January 13, 2022. Bids were received on January 27, 2022 for the project. Of the four (4) plan holders that attended the mandatory pre-bid meeting, only two (2) contractors submitted a bid. A summary of the results is included below:

Contractor	Base Bid	Alternate Bid	Total Base Bid Amount	Rank
Boller Construction	\$494,700.00	\$24,200.00	\$494,700.00	1
Martam Construction	\$918,365.00	\$50,792.00	\$918,365.00	2
Engineers' Estimate	\$245,000.00	\$25,000.00	\$270,000.00	N/A

The project is budgeted for in the Capital Improvements for the WCWWA at \$210,000.00. After reviewing

CITY OF WEST CHICAGO

the bids, it appears the bypass pumping was the single biggest factor between the estimate and contractor bids. In an attempt to complete the project within the FY2022 budget cycle, staff intends to re-bid the project after clearly defining the bypass pumping component of the project and possibly combine the project with another project at WCWWA to make it enticing for other bidders.

ACTIONS PROPOSED:

Reject all Bids and Re-bid - Headworks Influent Gate Replacement Project at West Chicago/Winfield Wastewater Authority Regional Wastewater Treatment Plant

COMMITTEE RECOMMENDATION:

Pending recommendation from the Infrastructure Committee at its meeting on February 3, 2022.

Fireworks at a Summer Festival

COMMITTEE AGENDA DATE: January 24, 2022

COUNCIL AGENDA DATE: February 7, 2022

ITEM SUMMARY:

Last year, without the "Hello Summer" event, which was cancelled due to COVID, the Park District requested the City-sponsored fireworks display be rescheduled for Saturday, August 14, 2021. This corresponded with the Park District's Tacos and Art Festival. The change was approved by City Council on July 6, 2021.

In 2022, the City has a couple options for sponsoring fireworks and Staff seeks direction from Committee members:

- The Park District is choosing to not hold "Hello Summer" but will host the Tacos and Art Festival again. District Staff has asked the City to sponsor fireworks on the evening of the Tacos and Art Festival to be held in mid-August.
- A second option may be reviving the fireworks at Railroad Days to be held in and around the weekend of July 9, 2022. The Railroad Days options brings the fireworks closer to Independence Day, which was the desire expressed by some Aldermen last year.

However, another issue has arisen regarding sponsoring fireworks. The City had budgeted \$15,000 for several years in a row. Due to increased costs, last year's fireworks lasted 25 minutes, instead of the 30 minutes as in prior years. As a result, Staff increased the budget this year by 17% to \$17,500. However, Staff has been told by the provider that material costs have risen 40-50%, meaning a \$15,000/25 minute fireworks show could cost as much as \$22,500.

Staff researched competitors and find they are either not available on one or both weekends, experiencing similar cost increases, or have gone out of business in the last year. The vendor we used in the recent past is available at the higher cost for both dates, as of mid-January. Staff seeks direction, in addition to the event preference discussion, on whether to discontinue City sponsorship or further increase the budget.

CITY OF WEST CHICAGO

ACTIONS PROPOSED:

Direction on whether to sponsor fireworks at Railroad Days or the Tacos and Art Fest. Also, direction on whether to increase the budget for fireworks or not sponsor any in 2022.

COMMITTEE RECOMMENDATION:

At their meeting on January 24, 2022, members of the Public Affairs Committee voted 5-1 in favor of recommending the higher fee and a July 9, 2022 event at Railroad Days.

ITEM SUMMARY:

The attached Draft Agreement and Draft Resolution to conduct Railroad Days have been prepared based on discussion with the Western DuPage Chamber of Commerce. The one-year agreement differs from prior agreements in just three ways:

- (1) The most recent agreement was multi-year, while this is for 2022 only;
- (2) The dates of the event changed to July 7-10, 2022; and,
- (3) The City funding level is \$50,000. The agreement contains the same specific reporting requirements as in the past applicable to the Chamber.

Staff has negotiated these terms with the Chamber. In turn, the Chamber agrees to provide all services as in the past in support of conducting the 2022 Railroad Days event. The Agreement has typically included an option for City-sponsored fireworks and, depending on the discussion by Public Affairs Committee under another agenda item, it is possible fireworks could return to Railroad Days this year should the Chamber agree. Funding for fireworks is a separate and additional line item.

Staff investigated a replacement event for Railroad Days or hiring a firm to conduct the festival, but expenses were significantly higher. Staff also looked into sponsoring an Independence Day event but no fireworks companies within reasonable proximity had that date available. The firm the City has worked with most recently has Saturday, July 9, 2022 available.

ACTIONS PROPOSED:

Consideration of Resolution No. 22-R-0009 regarding the 2022 Railroad Days Agreement.

COMMITTEE RECOMMENDATION:

Members of the Public Affairs Committee voted unanimously in favor of recommending the 2022 Railroad Days Agreement with added support for including fireworks.
