ITEM SUMMARY:

Food Fest is scheduled to take place on Saturday, August 27 from 4:00p.m. to 8:00p.m. Staff believes that the event will benefit from the addition of alcoholic beverage options. With the addition of alcohol, attendees are likely to stay at the festival longer and visit more food vendors, which in turn brings higher sales to vendors. Bellissimo Bar Company, out of Naperville, is a vintage mobile bar that has options to serve prosecco, wine, beer and more. A photo of the van has been attached.

- Average cost per drink \$12
 - Examples: Prosecco from Italy, White Wines, IPAs, Craft Beers
- All staff is Basset Certified
- Certificate of Insurance will be provided
- Liquor License meets requirements that can be used the day of Food Fest
- Table set up to check ID's, wristband for 21+ as well as tickets to limit consumption
- Area will be roped off to contain those drinking
- Possible proposed location would be on Galena St near the stage

As an alternative, Bellissimo Bar Company can serve mocktails either alone or alongside alcoholic beverages.

ACTIONS PROPOSED:

Seeking Your Support For Upcoming 50th Anniversary Celebration

Dear Committee Members:

Nearly 50 years ago, on May 20, 1972 the West Chicago Park District was created thanks to a community organization called "Concerned Citizens for Better Recreation." Their conviction led to a District with a vision to create an enhanced quality of life through effective programs, progressive facilities and preservation of parks and natural resources.

Throughout the years, ever-evolving District has impacted the lives of residents by creating community. Undoubtedly, Reed-Kepler Park has become the jewel of the town and due to recent developments of innovative facilities, individuals and families have found the perfect place to gather and take part in the countless programs, making this space the new heart of the community.

Throughout Summer, the Park District will be offering several opportunities for the community to be involved in festivities such as a family sock hop, roller blading, special exhibits, activities and more. The feature event would be the 50th Anniversary celebration for the August event at the Shell. Brining the community together with entertainment, activities and food to reminisce on the best of the past five decades. The celebration is scheduled for August 20, 2022.

For the last few years, the Summer at the Shell series presented by the Park District and the City of West Chicago has featured a fireworks display as a highlight and special presentation during one of the main three events. This year, fireworks will be allocated to Railroad Days. We seek your support to supplement the cost of an additional display for the 50th Celebration.

On the behalf of the West Chicago Park District, I would like to request the support of \$15,000 from the Public Affairs Committee to contribute to the costs of fireworks, this will culminate the festivities and wrap up the summer season.

Thank you for your consideration. If you have any questions, comments, or concerns, please contact me at 331-240-2043 or lmedina@we-goparks.org. I look forward to hearing back from you.

Sincerely

Lily Medina
Marketing and Communications Manager

The Mexican Cultural Center DuPage is proposing a new mural in West Chicago as part of our 2022 Alebrijes in DuPage project. This summer we will be placing 48 alebrije sculptures on exhibit at Cantigny Park. We thank West Chicago for their support of this project and for being one of the home bases for the six Mexico City artists who created these pieces and will be installing them and then working with us on community workshops and outreach. This project has already gained much attention for our organization, which celebrates its 10th Anniversary this year, and the City of West Chicago.

To further attract attention to West Chicago and grow the public art in downtown, we are proposing a mural that is inspired by the alebrijes pieces and their mythical creation story. **Juan Chawuk, a returning visiting artist Juan Chawuk will be painting the piece.** Juan completed the existing monarch butterfly mural that the Cultural Arts Commission placed on the southwest side of Supermercado Tampico. You will find the attached draft for our mural, proposed placement and permission letter from Supermercado Tampico. **Our proposal would see this mural painting this summer, with a dedication during West Chicago Food Fest in August.** We are not asking for any funds from the City of West Chicago and are working on this project in collaboration and with the support of the Cultural Arts Commission. If you have any questions, we will be happy to answer them, and would request approval for this project.

Thank you,

Fernando Ramirez

To Whom It May be Concerned,

On behalf of Supermercado Tampico, located at 516 Main Street, West Chicago, IL I am affirming my support of the Mexican Cultural Center DuPage's plan for the placement of an alebrijes mural on the west side of our building, next to the Cultural Arts Commission mural. As a host sponsor, Supermercado Tampico would be willing to help financially support this project.

As a longtime, community business, we are happy to be part of the continual growth of art in West Chicago.

ARTIST STATEMENT

Ideas appear un beholden to topic or established styles. Chawuk's journey in the arts is visionary but barely accepted because it is complex and arduous. He himself flees from the comfortable ease of a trend or label. He leaps into risk. He neither self-excludes nor indulges himself in vanity art. Instead, even in mistakes, he exalts rational, emotional intelligence within the freedom found therein. That is when the panorama unfolds in his creation, strengthening the reflection of textures of Character, Time and Matter. With the allure of pheromonic attraction that transports us over rainbows of acceptance and respect for human diversity or the uncovering of feculent humanity's racism or discrimination.

Below is a mural from Kansas City school and the second is a mural he did at Solorio. He has done 6 murals in the U.S. and over 20 in Mexico. The others are samples of his work.

Re: Parking Request on Colford Avenue

Dear City of West Chicago,

I am longtime resident (approaching 25 years) of the City of West Chicago. I love our City and proud to live here. I live at [REDACTED] [Colford Avenue](#). Over those 25 years I have seen and my family has been part of several crashes on our street and specifically at our Driveway. These were low impact (slow speed crashes). Some but not all crashed have been reported to the Police.

When we moved to our house (1998), the City had begun design for the reconstruction of our street. Aside from the street reconstruction, I believe all the water, sanitary and storm sewer were replaced. This was a great and appreciated improvement. During the construction a hydrant was moved slightly on the south side of the street that has enabled legal parking between the driveway apron of 460 Colford Avenue and the Fire hydrant. At least this is what I remember. More relevant is the issue of parking on the south side of the street perpendicular to our driveway. During the Street Design process the street was super-elevated (higher elevation on the North side) my side of the street. This was very helpful to us as we had a crazy steep driveway previous. However our driveway apron remains steep making it difficult to back out of onto the street. See "Attachment A" for a somewhat typical view of what it looks like backing out of our driveway when a car is parked in front of 460 Colford Avenue. I say somewhat typical as most of time cars park closer to the Fire Hydrant but they do maintain the 10 foot distance from the Hydrant.

There have been 3 owners of the House at 460 Colford Avenue and each has had at least one incident of someone using our driveway to turn around / back out of our driveway into their or a visitors parked car. Eventually each owner realized it was best not to park there. Sadly the most recent incident was my daughter backing out caused \$1,700 of damage to our car and an equal amount to the neighbors car. We have had good relationships with each owner and they each a weary of parking in the street in front of their house for these reasons.

One additional crash occurred when my son was turning into our Driveway. We are also at the top of Hill on Colford and it is not possible for two cars to pass each other when a car is parked in the street. Several years ago my son headed eastbound was turning into our driveway and a speeding car also headed eastbound tried to speed by his car and our driveway causing the crash. That crash caused about \$4,200 in damage to our car. The other driver was found to be at fault.

The current owners are selling their house and I thought this might be an opportune time to place a No Parking street sign between the Fire hydrant and the driveway apron of 460 Colford Avenue. I rely on your expertise, but the sign could read something like " No parking between driveway and Fire Hydrant". I would gladly pay for the sign if funding is an issue. In closing , the best way to really experience what backing out of our Driveway is like when a car is parked as seen in attachment A is to do it yourself while backing out and headed eastbound.

Please let me know if you would like to meet on site and discuss. You can reach me via email at [REDACTED] or my cell at [REDACTED].

I am looking forward to speaking with you.

Officer Activities

#2200103 On January 24th, a suspect entered Murphy's Ace Hardware, located at 319 S. Neltnor Blvd., and filled a shopping cart with \$1,489.91 in tools. The suspect pushed the cart out to the lot and loaded the items into a car when a store employee confronted him. The suspect ignored the employee's direction to pay for the items, continued loading the tools into the car, and left the scene. A few days later, a store employee received information about a possible suspect on Facebook selling stolen tools. Detectives learned the suspect was wanted on an unrelated warrant out of DuPage County. On February 4th, Detectives Eversole, Calabrese, Flanigan, and Herbert traveled to Oak Lawn and located the suspect's vehicle parked in front of his residence. A subject entered the vehicle and drove to a nearby corner, where he exited the car. The subject was identified as the suspect in this theft investigation and taken into custody for the warrant. He was transported to the Police Station and interviewed by detectives. The subject admitted he had driven to West Chicago after leaving the DuPage County Courthouse, stealing the items from Ace Hardware and selling them to a subject for money. The suspect posted bond on the warrant and was released after being allowed to recover the stolen items. He did not follow through, and on January 15th, the DuPage County State's Attorney's Office approved a charge of Felony Retail Theft against the suspect, and a warrant for his arrest was obtained.

#2000694 On May 14th, 2020, a vehicle was taken from the driveway of a residence in the 1300 block of Prairie Ct. The owner stated the vehicle was unsecured, and the key fob was left in the SUV. The vehicle was spotted on North Ave. by a Carol Stream Police Officer, who attempted to stop the Land Rover, but lost sight of it. The vehicle's tracking system was activated and showed that the Land Rover was in Westmont. The Westmont Police Officers located the vehicle, and a suspect fled from the scene. The vehicle was towed to the Police Station, where it was processed for evidence by Detective Peterson. A shirt that did not belong to the owner or his family members was found on the front passenger seat and sent to the DuPage County Crime Lab. DNA on the shirt was run through the State's DNA index and identified a possible suspect. After running the suspect's information through the State's law enforcement databases, Detective's learned that the suspect was wanted on a warrant for a previous charge of Possession of a Stolen Motor Vehicle. A search warrant was obtained for the suspect's DNA. On November 5th, 2020, a DNA sample was collected as the suspect was being transported through O'Hare airport by the U.S. Marshal's Office for an unrelated case. On January 13th, 2022, Detective Peterson contacted the DuPage County State's Attorney's Office and provided additional information related to the investigation. The State's Attorney's office approved a charge of Aggravated Unlawful Possession of Stolen Motor Vehicle, and an arrest warrant was obtained. The offender's information was run through multiple law enforcement databases and found him to be in custody at the Cook County Jail. A copy of the arrest warrant was emailed to the Records Division of the Cook County Jail, and he was served with the warrant.

#2200306 On February 25th, Officers Gary, Schoonhoven, and Rigler were dispatched to the 2500 block of Enterprise Cir. for a report of drag racing. Upon arrival to the area, Officer Rigler affected a traffic stop on a vehicle observed driving without headlights. When making contact with the driver, a strong odor of cannabis emanated from the vehicle. After questioning, the driver handed over a small bag of cannabis. When asked if anything illegal was in the vehicle, the driver stated there was a pistol in a black bag on the back seat. Officers placed the driver in custody, and during a search of the vehicle, a 9mm Glock-style handgun was recovered. The suspect was transported to the Police Station and interviewed, during which he stated he bought the "ghost gun" in Chicago for \$400.00. He further added that he carried the gun for personal protection due to the number of carjackings in Chicago. The DuPage County State's Attorney's Office approved a charge of Aggravated Unlawful Use of a Weapon Without a FOID Card. The suspect was also issued two traffic citations, fingerprinted, photographed, and transported to the DuPage County Jail.
