## CITY COUNCIL AGENDA ITEM SUMMARY

**ITEM TITLE:**

Final Plat of Subdivision/Partial Re-Zoning to M  
31W255 Roosevelt (SEC Roosevelt/Fabyan)  
1300 Roosevelt Investors LLC/Pritzker Realty Group

Ordinance 22-O-0016  
Resolution 22-R-0037

AGENDA ITEM NUMBER: 7. B. + C.

FILE NUMBER: \_\_\_\_\_

COMMITTEE AGENDA DATE: N/A

COUNCIL AGENDA DATE: June 20, 2022

**STAFF REVIEW:** Tom Dabareiner, AICP

**APPROVED BY CITY ADMINISTRATOR:** Michael Guttman

**SIGNATURE** \_\_\_\_\_

**ITEM SUMMARY:**

The 1300 Roosevelt Investors LLC owns an interest in approximately 64 acres near the southeast corner of Roosevelt Road and Fabyan Parkway. The current address is 31W255 Roosevelt. Their intention is to build one or two spec warehouse distribution facilities. As this use is not allowed in the ORI zoning district, the petitioner requests rezoning of a portion of the property to M-Manufacturing. Furthermore, they have supplied a Final Plat of Subdivision, to combine five properties into two, for approval.

The Final Plat of Subdivision would combine five properties into a northern and southern pair of properties. The northern property would become 13 acres and the southern property would become 51 acres. The properties would be separated approximately by a new public roadway called Poorman Parkway, named after the president of the Pritzker Realty Group. The location of the roadway would provide access to the 1300 Roosevelt Investors LLC tenants and, once extended, would provide secondary access to a proposed hotel along Roosevelt Road and connect with a new intersection at Roosevelt Road. The extended design was presented to the hotel developer who endorses the roadway location as shown. At their meeting on June 7, 2022, Plan Commission members voted unanimously in support of the Final Plat of Subdivision. Resolution 22-R-0037 would approve the Plat.

The City's new Comprehensive Plan denotes portions of this area as Industrial, so a rezoning in the vicinity is consistent with the Plan. It is also consistent with other inquiries the City has received during the last few years for these properties, suggesting a market ripe for warehouse distribution and the M-Manufacturing District designation. The request is to rezone the southern 51 acres to M-Manufacturing. At their meeting on May 3, the Plan Commission voted unanimously in support of the requested rezoning. Ordinance 22-O-0016 would make this change.

Copies of the Resolution to approve the Plat and the Ordinance to approve the Re-zoning are attached, along with the proposed Plat.

**ACTION PROPOSED:**

This item did not go to Development Committee. Approval is sought of Ordinance 22-O-0016 and Resolution 22-R-0037 to rezone the affected property to M-Manufacturing and approve the Final Plat of Subdivision, respectively.

**COMMITTEE RECOMMENDATION:**

Development Committee did not meet to discuss this item.

### RECOMMENDATION # 22-RC-0005

TO: The Honorable Mayor and City Council

SUBJECT: PC 22-01  
Rezoning from ORI to M  
31W255 Roosevelt Road  
1300 Roosevelt Investors, LLC

DATE: May 3, 2022

DECISION: A motion to approve the proposed rezoning passed (5-0).

#### RECOMMENDATION

After review of the proposed rezoning, the Plan Commission/Zoning Board of Appeals recommends approval. The recommendation is based on the following findings of fact:

*1. The existing uses and zoning of the property in question.*

The property is undeveloped farmland with a zoning designation of ORI.

*2. The existing uses and zoning of other lots in the vicinity.*

The immediate surrounding area is undeveloped farmland with zoning districts consisting of ORI and the Airport district. Other uses along Roosevelt Road in the vicinity are primarily industrial consisting of ORI and M zoning with some small commercial at the intersection of Roosevelt Road and Fabyan Parkway.

*3. Suitability of the property in question for uses already permitted under the existing regulations.*

The conditions of the property itself do not prevent ORI uses from occurring but it will have no frontage along Roosevelt Road which limits its potential for future commercial or office uses within the ORI District. Furthermore, the trend in development in the vicinity has been industrial, which is favorable to the current market.

*4. Suitability of the property in question for the proposed use.*

The large size of the property is suitable for the construction of two industrial buildings. Preliminary engineering has been reviewed by staff to determine the feasibility of utility connections and stormwater detention and found to be acceptable. Additional engineering will need to be reviewed at the time when the property comes in for development. As previously mentioned, a roadway will be constructed by the petitioner between Fabyan Parkway and Roosevelt Road to serve the proposed industrial uses on the property as well as future commercial uses on the adjacent properties along Roosevelt Road.

5. *The trend of development in the vicinity of the property in question, including any recent zoning activity.*

Over the last several years, there has been a significant amount of development consistent with uses permitted in the M District within the DuPage Business Center. As the DuPage Business Center becomes fully built-out, development is moving towards Fabyan Parkway. This trend is reflected in the Comprehensive Plan which designates these areas as Industrial.

6. *The effect the proposed rezoning would have on implementation of the Comprehensive Plan.*

The City's Comprehensive Plan designates this property as Industrial, which is consistent with the Manufacturing zoning designation the petitioner is seeking.

7. *Impact on surrounding properties.*

Properties to the east and west of the subject property, as well as properties further south on Fabyan Parkway, are anticipated to be developed with industrial uses. The DuPage Business Center to the west has a significant amount of existing industrial buildings that have had a positive impact on the community by diversifying the City's economic base.

8. *Impact on health, safety, or welfare of the community.*

The proposed rezoning should not have an adverse impact on the health, safety, or welfare of the community. The area in question is anticipated to be developed with uses consistent with the City's M Manufacturing District and will be harmonious with the previous development that has occurred at DuPage Business Center to the west that is now trending in the area.
