In Re: THE APPLICATION OF)

FOR SITING APPROVAL OF A NEW)
POLLUTION CONTROL FACILITY)

AFFIDAVIT OF COMPLIANCE WITH 415 ILCS 5/39.2(b)

JOHN E. HOCK, being first duly sworn on oath, deposes and states as follows:

1. I am a professional engineer licensed to practice in the State of Illinois and am employed by Civil & Environmental Consultants, Inc., (CEC) as part of their office located at 1230 East Diehl Road, Suite 200, Naperville, Illinois, 60563.

2. I am CEC's principal for the preparation of the local siting application for the West DuPage Recycling and Transfer Station and it was my responsibility to prepare, publish and serve pre-filing notices as required in 415 ILCS 5/39.2(b).

3. 415 ILCS 5/39.2(b) requires that no later than fourteen (14) days prior to a request for location approval of a pollution control facility, the applicant shall cause written notice of such request to be served either in person or by registered mail, return receipt requested, on the owners of all property within the subject area not wholly owned by the applicant and on the owners of all property within 250 feet in each direction of the lot line of the subject property, said owners being such persons or entities which appear from the authentic tax records of the county in which such facility is to be located, provided, that the number of all feet occupied by all public roads, streets, alleys and other public ways shall be excluded in computing the 250 feet requirement, provided further that in no event shall this requirement exceed 400 feet, including public streets, alleys and other public ways. Section 39.2(b) further provides that such notice shall be served upon members of

the general assembly from the legislative district in which the proposed facility is located and shall be published in a newspaper of general circulation published in the county in which the site is located. Section 39.2(b) further provides that such notice shall state the name and address of the applicant, the location of the proposed site, the nature and size of the development, the nature of the activity proposed, the probable life of the proposed activity, the date when the request for site approval will be submitted, and a description of the right of persons to comment on such request.

4. The Notice prepared and served in connection with the aforesaid requirement is attached hereto and made a part hereof as Exhibit A. Said Notice conforms to the requirements of Section 39.2(b).

5. I identified the names and address of all members of the General Assembly from the legislative district in which the proposed facility is located by using information publically maintained and available on the Illinois General Assembly internet website www.ilga.gov.

6. I caused a copy of the Notice to be published in the Daily Herald, a newspaper of general circulation, in the county in which the application is pending on August 26, 2022. A copy of the actual publication and proof of publication is attached hereto and made a part hereof as Exhibit B.

7. On August 19, 2022, I searched the authentic tax records in DuPage County, Illinois to ascertain the names and addresses of all owners of the subject property and all other property within 400 feet of the subject property. I learned that DuPage County maintains the official tax records database, which can be accessed via the DuPage County website, and the DuPage County Treasurer's Office website. The DuPage County website

also links to a GIS database showing all real estate parcels in the county. This is the computer equivalent of information previously available in hard copies of plat books and section maps.

8. Attached hereto and made a part hereof as Exhibit C is the full and complete list of all individuals and entities which were sent pre-filing Notice on August 23, 2022, pursuant to 415 ILCS 5/39.2(b). This includes all owners of property and members of the General Assembly who were entitled to Notice. Some entities entitled to notice were sent an additional notice at a secondary address.

9. On August 23, 2022, certified mail notice was sent to all of the individuals and entities identified in Exhibit C with United States' addresses, and personal delivery notice was sent to all of the individuals and entities identified in Exhibit C with Canadian addresses. Attached hereto and made a part hereof as Exhibit D are the certified mail receipts issued by the U.S. Postal Service (green cards) for United States' addresses and personal delivery receipts from United Parcel Service for Canadian addresses. Attached hereto and made a part hereof as Exhibit E are the signed returns from the recipients. The notice sent to the post office box for the Fox Valley Airport Authority was not claimed, but the secondary notice sent to Fox Valley Airport Authority was claimed. The notice sent to the New York address for OSCAR (IL) LLC was claimed on August 29, 2022, but the green card has not yet been returned.

10. The siting application herein was filed on September 16, 2022.

11. All of the foregoing complies fully and completely with the pre-filing notice requirements of 415 ILCS 5/39.2(b).

FURTHER AFFIANT SAYETH NOT.
