ITEM SUMMARY:

In 2011, City Council approved the Final Engineering Plans for a sanitary sewer extension to serve The Crusher located at 651 W. Washington Street. Improvements consists of the installation of private utilities (i.e., sanitary sewer service, and storm sewer), and the extension of public utilities (i.e., sanitary sewer).

The improvements were constructed for The Crusher project during the summer of 2011 and have been substantially complete since fall of 2011. The Developer has satisfactorily completed all required public improvements, and no maintenance issues have been reported since construction was complete. This item was ready for acceptance over 10 years ago but for some reason was not completed.

The Developer had posted a maintenance security for \$84,121.88 following the completion of the sewer extension in 2011. The Developer is now requesting the release of the security.

The developer has submitted the required Final Waivers of Lien, Deed of Conveyance/Bill of Sale, as-built drawings, and necessary easement documents, for this development project. Staff recommends that City Council approve the following:

1. Acceptance of all sanitary sewer collection system improvements located within a dedicated public right-of-way or dedicated easement area, as installed for 651 W. Washington Street - The Crusher development, as City of West Chicago ownership and maintenance responsibility.
2. Acceptance of the public improvements identified in item above is conditioned on The Crusher using the security monies to cover the cost of the building permit and security for the Phase I improvements of the property required under Ordinance 23-O-0005. Such work shall commence no later than July 31, 2023.

The Development's stormwater management facilities (i.e., Detention Basins), special management areas (i.e., wetland, floodplain, and riparian environment areas), stormwater outlet control structures, overland stormwater drainage systems and that portion of the storm sewer system not located within a dedicated public right-of-way, storm sewer that is conveying off site flow, and/or that portion which is not utilized to convey drainage from City owned and maintained roadway to the subdivision's stormwater management facility, shall remain the ownership and responsibility of The Crusher.

Other items not being conveyed to the City, shall remain the ownership and maintenance responsibility of The Crusher, include the following: all onsite sanitary sewer service lines to the point of connection with the

CITY OF WEST CHICAGO

City's sanitary main, the water service lines (from the water service shut-off valve or b-box to the building), and the fire suppression lines (from the valve vault to the building).

Staff from the Department of Public Works recently televised the sewer extension segment to verify the condition of the pipe and if there are any potential defects. The televising did not find any defects and staff recommends acceptance of the sewer extension.

ACTIONS PROPOSED:

Approve Resolution No. 13-R-0017 authorizing the acceptance of the public improvements for 651 W. Washington, and authorize a refund in the amount \$84,121.88 to The Crusher, which was used as the maintenance security for the installation of the public improvements.

COMMITTEE RECOMMENDATION:

The Infrastructure Committee voted 7-0 for approval.

INFRASTRUCTURE COMMITTEE AGENDA ITEM SUMMARY

ITEM TITLE:

Resolution No. 23-R-0057 – ComEd – Customer Work Agreement – Turner Court Three-Phase Transformer

AGENDA ITEM NUMBER: 7.C.**COMMITTEE AGENDA DATE:** July 6, 2023**COUNCIL AGENDA DATE:** July 17, 2023**STAFF REVIEW:** Meहुल Patel, P.E., CFM, Director of Public Works**SIGNATURE** **APPROVED BY CITY ADMINISTRATOR:** Michael L. Guttman**SIGNATURE** _____**ITEM SUMMARY:**

On February 20, 2023, the City Council approved Resolution No. 23-R-0007, awarding a construction contract for the First Floor and Lower Level Renovation Project at 200 Main St. The Project construction is underway.

One of the major items of concern that has risen during the Project construction is the electrical service. The current electrical service to the building is a single phase 120/240 volt. The proposed service to the building is a three phase 120/208 Volt. In general, the three-phase service is more appropriate for industrial, manufacturing and certain types of retail uses. The three-phase service is also more efficient and power supply is more consistent if voltage dips occur. While the Project team believes the 200 Main Street building can operate with a single-phase service, a three-phase electrical service is more appropriate for the proposed use of the building.

The issue is that ComEd does not have a true three-phase transformer near 200 Main Street. City staff has been working with ComEd to provide a three-phase transformer along Turner Court, which can serve the 200 Main Street building. Staff has successfully worked with ComEd to oversize the proposed three-phase transformer, such that, if any future redevelopment along the same strip requiring a three-phase service, the transformer will be able to accommodate it. In other words, the proposed three-phase transformer will be a community transformer that can be used by any future development along the same strip. ComEd has prepared a Customer Work Agreement to install a three-phase transformer along the Turner Court rights-of-way. The cost of such is estimated to be \$25,034.36.

Staff recommends approval of the Customer Work Agreement for \$25,034.36. This project will be paid for using Capital Project Funds in which \$1,800,000.00 is budgeted for in account 08-34-53-4818. The estimated timeline to complete the work is approximately six to nine months, subject to availability of the three-phase transformer. Please note the delay in installation of the transformer will also delay the completion of the Project, which is currently November 21, 2023.

ACTIONS PROPOSED:

Approve Resolution No. 23-R-0057 authorizing the Mayor to approve the ComEd Customer Work Agreement for installation of a Three-Phase Transformer along Turner Court in the amount of \$25,034.36

Resolution No. 23-R-0059 – Easement Agreement with the Forest Preserve District of DuPage County for the Klein Road Culvert Replacement Project

AGENDA ITEM NUMBER: 7. D.**COMMITTEE AGENDA DATE:** July 6, 2023**COUNCIL AGENDA DATE:** July 17, 2023**STAFF REVIEW:** Mehul T. Patel, P.E., CFM- Director of Public Works**SIGNATURE** **APPROVED BY CITY ADMINISTRATOR:** Michael L. Guttman**SIGNATURE** _____**ITEM SUMMARY:**

In June 2022, the City received American Rescue Plan Act (ARPA) Grant through DuPage County Stormwater Management for Klein Road Culvert Replacement Project (Project) in the amount not to exceed \$169,000.00. Subsequently, the City Council approved an Intergovernmental Agreement (IGA) with DuPage County on September 6, 2022, for acceptance of grant funds for construction costs. The IGA requires the City to substantially complete the project by October 31, 2024.

The Project's scope includes the removal of the existing corrugated metal pipe culvert and two cast-in-place (CIP) junction chambers and replace it with a single-cell, 6' x 3' precast concrete box culvert with a CIP end section, soldier pile retaining wall and a precast concrete junction chamber, full depth hot-mix asphalt (HMA) pavement removal and reconstruction, HMA resurfacing, widening and placement of 8-foot HMA bike path to accommodate for future Wayne Township's bike path project along Klein Road, HMA and aggregate shoulder construction, storm sewer improvements, temporary detour, thermoplastic pavement markings, fieldstone riprap installation, tree removals, native planting, landscaping, and other collateral work necessary to complete the project as described in the Project plans and specifications.

Furthermore, the Project requires obtaining temporary and permanent easements from the Forest Preserve District of DuPage County (FPDDC) for proposed improvements in the West Branch Forest Preserve. The temporary construction easement is required for grading, construction of storm sewer culvert and headwall, and placement of rip-rap and fieldstone. The permanent easement is required for the City to maintain the storm sewer culvert, headwall, rip-rap, and fieldstone on the FPDDC Property. A copy of the Easement Agreement with the FPDDC is enclosed.

The City Council rejected all bids for the Project on June 5, 2023, due to the Project being significantly over budget. Staff is going to re-bid the Project in July 2023, with a proposed completion date in summer 2024, to receive more bids that are competitive. Concurrently, the staff is also working with the DuPage County Stormwater Management team to request additional grant funding for the Project, which will require an amendment to the IGA with DuPage County. The amendment to the IGA will be presented to the City Council under a separate agenda item.

ACTIONS PROPOSED:

Approve Resolution No. 23-R-0059 authorizing the Mayor to execute the Easement Agreement with the Forest Preserve District of DuPage County for the Klein Road Culvert Replacement Project.

COMMITTEE RECOMMENDATION:

The Infrastructure Committee voted 7-0 for approval.

Resolution No. 23-R-0060 – Contract Award – 2023
Pavement Markings Maintenance Program

AGENDA ITEM NUMBER: 7. E.**COMMITTEE AGENDA DATE:** July 6, 2023**COUNCIL AGENDA DATE:** July 17, 2023**STAFF REVIEW:** Mehul T. Patel, P.E., CFM, Director of Public Works**SIGNATURE** **APPROVED BY CITY ADMINISTRATOR:** Michael L. Guttman**SIGNATURE** _____**ITEM SUMMARY:**

The 2023 Pavement Marking Maintenance Program (Program) consists of contractual pavement marking removal, installation of thermoplastic pavement markings on the hot-mix-asphalt pavement, and modified urethane pavement markings on concrete pavements. The maintenance will primarily focus on Washington Street, Wilson Street bridge, Joliet Street, Atlantic Drive, Hawthorne Lane, and Prairie Crossing Drive, which are denoted in the enclosed location map. The Program is anticipated to start in fall 2023.

Since 2012, the City has participated in a joint purchasing program to procure the services of pavement marking contractors. In FY 2023, unit pricing is being offered through the DuPage County Joint Purchasing Program organized by the DuPage County Division of Transportation (DuDOT). The DuPage County Joint Purchasing Program allows participating local agencies to utilize the bid results offered under DuPage County's competitive bid process. For FY 2023, Superior Road Striping, Inc. (SRS) is the lowest responsible bidder and holds a joint purchasing contract with DuPage County.

Staff solicited the enclosed proposal from SRS to complete City's FY 2023 Program based on the agreed unit pricing from DuDOT's Joint Purchasing Program. Staff recommends that the City participate in the DuPage County Purchasing Program by awarding a contract to SRS for an amount not to exceed \$39,274.60. SRS is an IDOT-prequalified contractor and the staff has satisfactory experience working with SRS.

The FY 2023 budget under the Capital Projects Fund account no. 08-34-53-4869 includes \$40,000.00 for the Program.

ACTIONS PROPOSED:

Approve Resolution No. 23-R-0060 authorizing the Mayor to execute a Contract with Superior Road Striping, Inc of Melrose Park, Illinois, using pricing obtained through the DuPage County Joint Purchasing Program, in an amount not to exceed \$39,274.60 for the 2023 Pavement Markings Maintenance Program.

ITEM SUMMARY:

The 412 Blakely Street Interior Renovation Project at the fleet garage includes interior concrete slab demolition and replacement, new plumbing trench drains and oil separator basin, new vehicle lifts, electrical power and lighting improvements, an allowance for hazardous waste removal, and miscellaneous interior alteration as specified in contract plans and specifications. The project is anticipated to be completed in November 2023.

The Project was advertised for public bids in the Daily Herald and on an online bidding platform, QuestCDN, on June 6, 2023. A non-mandatory pre-bid meeting took place on-site on June 20, 2023. Staff opened bids on June 27, 2023, and below are the bid results:

CONTRACTOR	BID SUBMITTAL AMOUNT	RANK

ARCHITECT'S ESTIMATE	\$140,000.00	-

Bear Construction Company (BCC) of Rolling Meadows, Illinois, submitted a bid for \$181,687.00, which is 29.8% over the Architect's estimate. The FY 2023 Budget includes \$180,000.00 under Capital Projects Funds account no. 08-34-53-4801 for design (Phase II), construction, and construction administration (Phase III). Out of the \$180,000.00 budget, \$16,275.00 is encumbered towards Phase II and III architectural services for the City's consultant, Kluber, Inc., which leaves \$163,725.00 for the construction of the project. The shortfall of \$17,962.00 will be offset by anticipated cost savings from the 2023 Roadway Rehabilitation Project, which is budgeted under Capital Projects Funds account no. 08-34-53-4807.

Kluber completed a review of BCC's bid. Based on the review, Kluber deems BCC's bid is responsive and complete. The difference between the estimate and lowest responsive bid is largely in the concrete related components of the project. Staff recommends awarding the 412 Blakely Street Interior Renovation Project to the lowest responsible bidder, Bear Construction Company, in an amount not to exceed \$181,687.00.

ITEM SUMMARY:

Over the last several months, City staff has been researching ways to pay for the upkeep of the rights-of-way in the industrial parks. We are recommending increasing the home rule sales tax rate by 0.50% to 1.50%, and using the additional funds to pay the principal and interest associated with a bond issuance. A Borrowing Analysis prepared by the City's Financial Advisor (Anthony Miceli from Speer Financial) is attached, and will be brought back before the Finance Committee later this year; it has been included for illustration only.

Also, there are property and business owners in WC that operate under more than one business name. The language in our current Code does not allow the City to enforce judgements/fines/liens/fees owed by one of those entities against another business which involves the same person or people. For example, an owner of a store in our community has its liquor license titled in one company name, but the building is owned by another corporate entity in which he's involved. There are outstanding water bills from former tenants for which the landlord is responsible, but he is now not required to pay these to keep his liquor license valid. The attached Ordinance provides the City with more flexibility to collect debts due and owing.

STAFF RECOMMENDATION:

Staff recommends adoption of Ordinance Nos. 23-O-0022 and -0023.

COMMITTEE RECOMMENDATION:

The Finance Committee unanimously recommends adoption of Ordinance Nos. 23-O-0022 and -0023.
