Ordinance No. 25-O-0019

**AGENDA ITEM NUMBER:** 7.A.**FILE NUMBER:** \_\_\_\_\_**COMMITTEE AGENDA DATE:** June 9, 2025**COUNCIL AGENDA DATE:** June 16, 2025**STAFF REVIEW:** Tom Dabareiner, AICP**SIGNATURE** **APPROVED BY INTERIM CITY ADMINISTRATOR:****SIGNATURE** \_\_\_\_\_**ITEM SUMMARY:**

The petitioner, Karen's Truck Repair, is requesting approval of a Special Use Permit to develop and operate a Motor Vehicle Repair Shop at 1880 Arthur Drive in the M Manufacturing District. The subject property is located immediately to the east of the DuPage Airport at the southeast corner of Arthur Drive and Howard Drive. The property is approximately 4.2 acres and is vacant. The property has frontage on both Arthur Drive and Howard Drive. The uses in the immediate area are industrial uses.

The petitioner is an existing West Chicago business currently located at 1090 Carolina Drive. The business has outgrown this space and the petitioner is proposing to develop the subject property and relocate the business. The petitioner is proposing a 17,000 square foot truck repair facility with 20 parking stalls for customers and employees. Behind the structure the petitioner is proposing a parking lot for trucks to be parked temporarily while waiting to either be serviced or to be picked up by their owner. Access to the site is proposed off Arthur Drive as well as Howard Drive. The subject property will be heavily screened on all sides with landscaping including shade trees, ornamental trees, evergreens, and shrubs. A ten 10-foot tall solid privacy fence will be installed around the portion of the property where trucks will be temporarily kept to screen vehicles from public view. All required landscape yards and screening requirements have been satisfied.

At their June 3, 2025 meeting, members of the Plan Commission voted unanimously (4-0, with three absent) in support of the proposed Special Use Permit.

Seventh Amendment to a Special Use Permit – Outside  
Ancillary Storage  
  
Ordinance No. 25-O-0020

**AGENDA ITEM NUMBER:** 7.B.**FILE NUMBER:** \_\_\_\_\_**COMMITTEE AGENDA DATE:** June 9, 2025**COUNCIL AGENDA DATE:** June 16, 2025**STAFF REVIEW:** Tom Dabareiner, AICP**SIGNATURE** **APPROVED BY INTERIM CITY ADMINISTRATOR:****SIGNATURE** \_\_\_\_\_**ITEM SUMMARY:**

Forming America, located at 1200 North Prince Crossing Road, operates a concrete forms manufacturing facility with ancillary outside storage that originally received Special Use Permit approval in 2007. The Special Use Permit is to allow outside storage on the property ancillary to the principal use of a concrete forms operation. The Special Use Permit has been amended six times. One of the conditions of the Special Use Permit approval is the requirement to pave all areas of the property where outside storage would occur. Paving of these areas took a considerable amount of time and several amendments were approved extending the timeframe for when paving had to be completed. Forming America completed paving all areas where outside storage is occurring as indicated on their Paving and Layout Plan. All outside storage is now currently located on paved areas.

The petitioner is now proposing to pave the final area property, which is located immediately north of the existing paved areas. To do so, a seventh amendment is needed to the Special Use Permit to include this area in the controlling pavement plan. The proposed paved area is 80,937 square feet. The existing detention basin was not originally sized to accommodate this area and therefore the petitioner is also proposing to increase the volume of the existing detention basin. The proposed size and modifications to the detention have been determined to be sufficient for the additional 80,937 square foot paved area. Both the City's Stormwater Engineer and the Public Works Department have approved the plans for the increased detention basin and pavement area. The paved area will be screened with a fence to match the height and style of the existing fence along North Prince Crossing Road.

At their June 3, 2025 meeting, members of the Plan Commission voted unanimously (4-0, with three absent) in support of the proposed Special Use Permit Amendment.

**ACTION PROPOSED:**

Discuss and recommend approval of the proposed Special Use Permit Amendment at 1200 North Prince Crossing Road.

**COMMITTEE RECOMMENDATION:**

Members of the Development Committee voted unanimously (6-0) in support of the Special Use Permit Amendment.

2025 Asphalt Materials Procurement – DuPage County  
Joint Purchasing Program – Plote Construction, Inc.

**AGENDA ITEM NUMBER:** 7.C.**COMMITTEE AGENDA DATE:** June 5, 2025**COUNCIL AGENDA DATE:** June 16, 2025**STAFF REVIEW:** Mehul T. Patel, P.E., CFM, Director of Public Works**SIGNATURE** \_\_\_\_\_**ITEM SUMMARY:**

For over 36 years the City has utilized the DuPage County Joint Purchasing Program for the procurement of asphalt materials. DuPage County has a Joint Purchasing Program like the State of Illinois Joint Purchasing Program where annually it solicits bids for materials by way of public bid and then allows municipalities to take advantage of the competitively bid unit prices. The 2023 bid is attached for your reference which has been renewed per the contract provisions.

DuPage County advised staff that it will be utilizing all the vendors except Superior Asphalt Company that bid for Asphalt Materials, depending on which site is closest to the ongoing operations within the County limits. All vendors have agreed to extend its bid to other taxing bodies in DuPage County through the Joint Purchasing Program. The City staff is proposing to use Plote Construction as its choice for vendor due to the proximity. The two commonly used Hot-Mix Asphalt (HMA) products by the City are HMA Surface Course, Mix D, N50 and HMA Binder Course, IL-19.0, N50. Although Plote's bid pricing for these two products is higher than other vendors, staff believes due to its proximity, Public Works staff will be able to pick up HMA material as needed from the plant located in West Chicago, Illinois, and/or in Bartlett, Illinois, which will save a lot of transit time. This will help offset the higher purchase price.

The City uses HMA to repair street openings from water and sewer excavations, for pothole patching, repair of surface imperfections through grinding and patching, and overlayment of sections of streets where the surface is deteriorated and the street is not scheduled for contractual reconstruction or resurfacing. For Fiscal Year 2025, staff anticipates using approximately 600 tons of surface mix and approximately 100 tons of binder mix. The material cost varies from \$65.00 to \$125.00 per ton depending on the type of HMA required. The amount of \$51,000.00 has been budgeted in the Capital Projects Fund (08-34-53-4672) for the purchase of HMA during Fiscal Year 2025.

Staff recommends using the DuPage County Joint Purchasing Program for the procurement of Asphalt Materials from Plote Construction, Inc. for Fiscal Year 2025.

**ACTIONS PROPOSED:**

Authorize the purchase of Asphalt Materials, as needed, from Plote Construction, Inc. for an amount not to exceed \$51,000.00, through the DuPage County Joint Purchasing Program, during Fiscal Year 2025.

**COMMITTEE RECOMMENDATION:**

The Infrastructure Committee voted 7-0 for approval.

**ITEM TITLE:**

Purchase of One 2025 Ford E-350 Cutaway Van - Haggerty Ford, West Chicago, Illinois

**AGENDA ITEM NUMBER:** 7.D.**COMMITTEE AGENDA DATE:** June 5, 2025**COUNCIL AGENDA DATE:** June 16, 2025**STAFF REVIEW:** Mehul T. Patel, P.E., Director of Public Works**SIGNATURE** \_\_\_\_\_**ITEM SUMMARY:**

For FY 2025, Public Works Department staff have planned and budgeted for the replacement of one 2015 Ford E350 Cutaway Van with a custom Knapheide Utility Body in the in the Facilities Division (Unit 450) with one 2025 Ford E350 Cutaway Van with a custom Knapheide Utility Body. Unit 450 is currently utilized as an everyday vehicle for the functions of the Division and was on an eight-year initial replacement cycle. The unit is overdue for a replacement.

The City of West Chicago is a member of the DuPage Mayors and Managers Conference, which is one of the sponsors of the Suburban Purchasing Cooperative (SPC), which is a joint purchasing program that represents 144 municipalities and townships in northeastern Illinois. In the past, we have had the luxury of being able to capitalize on the joint bid contracts for such purchases. The SPC currently has a contract for the Ford Transit Vans but not for E350 series. Sourcewell is another cooperative purchasing avenue the City utilizes for fleet purchases which currently does not have a contract for E350 series.

To allow local vendors an opportunity to quote on the 2025 Ford E350 Cutaway Van with a custom Knapheide Utility Body, staff recently solicited price quotes from multiple Ford dealerships (only two responded). The table below summarizes the pricing received from interested parties.

Dealer	Price	Rank
Haggerty (West Chicago)	\$63,426.00	1
Willowbrook Ford (Willowbrook)	\$67,280.70	2

In FY 2025, \$65,400.00 is budgeted in the Capital Equipment Replacement Fund (04-34-39-4804) for the replacement of Unit 450. A third-party vendor will do the upfit for the vehicle, for which \$5,000.00 is budgeted for this unit in the same fund. The vehicle is available in the lot at Haggerty Ford and is already custom fitted to City's needs. It should be noted the available vehicle at Haggerty Ford is equipped with a Reading Utility Body which is rated highly by staff at City's Fleet Division. The custom fitted vehicle also significantly reduces the upfit times. Staff recommends placing an order as soon as possible to secure the vehicle.

**ACTIONS PROPOSED:**

That the West Chicago City Council authorize the purchase of one 2025 Ford E350 Cutaway Van with a custom Reading Utility Body, for a cost not to exceed \$63,426.00, from Haggerty Ford, West Chicago, Illinois, and authorize the City Administrator to contract with a third-party to install the necessary appurtenances/equipment for this vehicle.

**COMMITTEE RECOMMENDATION:**

The Infrastructure Committee voted 7-0 for approval.

**ITEM SUMMARY:**

Illinois Public Works Mutual Aid Network (IPWMAN) is a Statewide Mutual Aid System for Public Works agencies in Illinois. The mission of IPWMAN is promote intergovernmental cooperation, to develop and maintain a statewide network of public works related agencies whose principal purpose is to provide mutual aid response and recovery assistance to each other when confronted with natural or man-made emergencies and disasters. IPWMAN was founded in 2009 and is envisioned as an all-hazards, all-disciplines approach to sharing resources between various Public Works entities in Illinois. There are currently 330 member communities across Illinois.

On February 20, 2023, the City Council approved Ordinance No. 23-O-0001, authorizing the executions of Illinois Public Works Mutual Aid Network (IPWMAN) Agreement.

At its August 8, 2024, meeting, the Board of Directors of the Illinois Public Works Mutual Aid Network. Inc. voted to approve a revised intergovernmental agreement which will require all members desiring to continue in IPWMAN to approve. On October 23, 2024, the members approved the amendment of the agreement and by-laws. There is no intent to change the day-to-day and emergency response mutual aid program. There are a few issues which the IPWMAN Board believes should be revised through the approval of the new agreement. Significant changes from the current agreement are:

1. Clarification that mutual aid is not just for emergencies. Currently members assist each other with provision of equipment and personnel on a day-to-day basis and the new agreement expressly provides authority for this common practice.
2. The current by-laws provide for governance of IPWMAN by a not-for-profit corporate entity rather than by a board of members without a separate corporation. The Illinois Intergovernmental Corporation Act does not require the formation of a not-for-profit corporation to be the governing body. Revising the IPWMAN's agreement and by-laws to eliminate the corporate entity streamlines the organization and eliminates issues related to asset ownership, liability and tort immunity. All assets of the IPWMAN will be held in the intergovernmental agency's name going forward.
3. The new agreement provides a revised process for any future amendment. Any member may propose an amendment to the board of directors. If the board approves it, the proposed amendment will be sent to the entire membership 45 days before a general meeting. if at least 60% of the members present approve the amendment, a new intergovernmental agreement will be submitted to all members for the governing boards to approve by resolution.

Staff recommends approval of the Illinois Public Works Mutual Aid Network (IPWMAN) Agreement as revised.

**ITEM SUMMARY:**

The Police Station HVAC Improvements Project includes improvements to the heating, ventilation, and air conditioning (HVAC) at the Police Station located at 325 Spencer Street, as denoted in the enclosed location map. The scope of the project for Base Bid includes select demolition, HVAC rooftop unit (RTU) equipment replacement, boiler replacement, roof patching, temperature controls, variable air volume(VAV) box reuse, acoustical ceilings repairs, painting, necessary electrical work, and other associated work to complete the project. Alternate 1 includes upgrading the existing VAV controls, associated control valves, and ceiling repairs as required. Alternate 2 includes replacement of VAV & fan-powered boxes and associated controls, complete with electrical wiring, and ceiling repairs as required. The Project is anticipated to be completed in November 2025, pending material availability.

The Project was advertised for public bids in the Daily Herald and on an online bidding platform, QuestCDN, on April 29, 2025. A non-mandatory pre-bid meeting took place on-site on May 8, 2025. Staff opened bids on May 21, 2025, and below are the results:

*\* Bid deemed irresponsible and incomplete upon contractor scope review. Bidder disqualified.*

Kluber, Inc., the City's Phase II and III Architect, completed a contractor scoping review for the Base Bid and Alternate No. 1 with the first two apparent low bidders, 1 Source Mechanical, Inc. and Commercial Mechanical Inc. Upon scoping review with the two contractors, their submitted bids were found to be incomplete as both contractors failed to include the \$85,000 allowance in their Base Bid as required by contract specification; therefore, the bids were deemed irresponsible and bids were disqualified. The third low bidder, F.E. Moran, Inc. of Northbrook, Illinois, submitted a complete and qualified bid in the amount of \$923,000.00, which is \$77,000.00 or 7.7% lower than the budgeted amount of \$1,000,000.00. After scope discussions with Kluber, Inc. and Facilities Maintenance staff, the Base Bid plus Alternate No. 2 were not taken into consideration for the project, as the lowest bid from F.E. Moran, Inc. was \$185,000.00 or 18.5% over the budget amount of \$1,000,000.00 for the project. The FY 2025 Budget includes \$1,000,000.00 under the Capital Projects Funds – Capital Outlay Account No. 08-34-53-4801 for the construction phase of the Project.

Staff recommends awarding the Police Station HVAC Improvements Project to F.E. Moran, Inc. of Northbrook, Illinois, for a total contract amount not to exceed \$923,000.00, which includes Base Bid and Alternate No. 1, and reject Alternate No. 2.

Amending the Alcoholic Beverages Code to Add a Specialty Retailer License Classification (Class O)

Ordinance No. 25-O-0022

**FILE NUMBER:**

**COMMITTEE AGENDA DATE:** N/A

**COUNCIL AGENDA DATE:** June 16, 2025

**STAFF REVIEW:** Kelley Chrise, AICP, CEcD

**ITEM SUMMARY:**

The Ordinance was prepared in response to a request by a new business (Uncorked West Chicago) seeking to sell corporate gift baskets that include curated wines and specialty liquors and also to hold occasional tastings. The current liquor code does not have a license classification that would permit the sale of liquor as desired. As a result, the proposed language presented for consideration would create a new license classification (Class O) for specialty retailers that sell packaged alcohol as a complement to other sales and would allow for limited liquor samplings.

If this ordinance is approved, Uncorked West Chicago would need to submit a Liquor License Application for a Class O License. Upon completion of the application processing, a second Ordinance would be presented to the City Council to increase the number of Class O Licenses to one that could be issued to Uncorked West Chicago by the Liquor Commissioner.

**ACTIONS PROPOSED:**

Consideration of Ordinance No. 25-O-0022 to create a new Specialty Retailer License Classification (Class O).

**COMMITTEE RECOMMENDATION:**

This item did not go to a Committee and has been sent directly to the City Council.
